Location

St Lawrence is a waterside village on The Dengie Peninsula with its own stretch of beach known as St Lawrence Bay. The village is protected from flooding by the sea wall which was reinforced in the 90's and provides a footpath along the riverbank. The village is popular for its water sports with the sailing club situated on the River Blackwater and also benefits from a shop which includes a post office, two public houses and a restaurant. The village is conveniently within 5 miles of Southminster, which has a train station and further amenities.
