Agent's Note

The caravan can be occupied from 5th February through to 6th January. Site fees for 2024 are £6,601.69 (variable) to include pitch fee, water/sewerage. The property is NOT FREEHOLD but occupies the site under licence. We understand from the vendors that once the tenure finishes in 2031 the owner of the caravan at the time would either have to part exchange their caravan with Parkdean and upgrade which is standard or remove the caravan off site.

The vendor advises that a buyer of the caravan can move it to another site, subject to the requirements of that site. The vendor will pay for disconnection of the services and the buyer will be responsible for the cost of moving the caravan to another location.

Services

Pitch connections include gas supply to a boiler providing hot water and a gas warm air heating system, water, electricity and drainage.
