The Area
The Mill development is a well-regarded residential area in Polegate, designed with a mix of modern homes and landscaped spaces, giving the neighbourhood a smart and contemporary feel. It is particularly popular with commuters and families due to its convenient setting and access to local facilities.

Polegate High Street is close by and offers a range of everyday amenities including a selection of shops, cafés, restaurants, a pharmacy, doctors' surgery, and a post office. Larger supermarkets such as Tesco, Asda and Waitrose are all within easy reach in Hailsham and Eastbourne.

For travel and connectivity, Polegate's mainline railway station is within walking distance, providing direct services to London Victoria, Brighton, Eastbourne, and Hastings, making it a strong choice for those who need reliable links into the city or along the coast. The A27 and A22 are also easily accessible, offering convenient road connections across Sussex and beyond.

The surrounding area is rich in countryside and leisure opportunities. The South Downs National Park is only a short drive away, with scenic walks, cycle routes and outdoor activities, while the seafront at Eastbourne provides a traditional coastal setting with beaches, a pier and the promenade. Schools in the area are well-regarded, and the community feel of Polegate continues to appeal to a wide range of buyers.
