Property Description

Arkle, is a beautifully presented, architect designed home set in an enviable position boasting panoramic views over Loch Harport.

Arkle is a modern detached two-bedroom property set in an enviable position affording stunning views over Loch Harport. The Dualchas designed property, completed in 2007, sits in fully enclosed garden grounds of approximately 0.5 acres (to be confirmed by title deed) and offers bright and spacious living accommodation with all rooms boasts stunning views.

The accommodation within comprises of entrance hallway, open plan lounge/kitchen/dining area, utility room, a king size bedroom and shower room on the ground floor. The upper floor has a spacious double with en suite bathroom and a large gallery / lounge which offers the opportunity to create a third bedroom. The property further benefits UPVC double glazing and electric under floor central heating throughout the downstairs. There is also a wood burning stove in the lounge. The property has been beautifully maintained by the current owners and is presented in walk-in condition. Arkle is finished with quality fittings and fixtures and decorated in modern, neutral tones throughout.

Externally, the property is set within neatly kept garden grounds, which are mainly laid to lawn with a decked area overlooking the loch - the perfect place to enjoy the beautiful views and sunsets. A tarmac driveway from the township road leads to the property and provides ample parking for several cars. A small timber shed provides storage and has power connected

Arkle provides a wonderful opportunity to purchase a modern home in a breath-taking setting and must be viewed to appreciate the accommodation and views on offer.

The accommodation is being sold fully furnished.

Entrance Hall (5' 7.72" x 6' 7.92") or (1.72m x 2.03m)

Energy Efficiency Rating			Environmental Impact (CO ₂) Rating		
	Current	Potential		Current	Potential
Very energy efficient - lower running costs			Very environmentally friendly - lower CO ₂ emissions		
(92+) A			(92+) A		
(81-91) B			(81-91) B		
(69-80) C			(69-80) C		69
(55-68) D		66	(55-68) D		
(39-54) E	39		(39-54) E	46	
(21-38) F			(21-38) F		
(1-20) G			(1-20) G		
Not energy efficient - higher running costs			Not environmentally friendly - higher CO ₂ emissions		
England, Scotland & Wales EU Directive 2002/91/EC			England, Scotland & Wales EU Directive 2002/91/EC		

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.
