INTRODUCING YOUR NEW APARTMENT

Dutton Lodge is designed with you in mind. Your own front door gives you independence and privacy, when you want it, but a communal Owners' Lounge opens up a whole new social life with like-minded neighbours when you wish.

To ensure you have the time to enjoy your new lifestyle maintenance and upkeep of the development is taken care of for you. The safety and security features in your apartment, along with the running costs of the Lodge are covered by your service charge, so you can budget with confidence.

The development is heated via a communal ground source heat pump system, which harnesses the ambient energy within the underlying ground and converts it in a very efficient way. These systems are able to produce more energy than they consume and provide lower running costs of heating and hot water.

Shower rooms feature low-level shower trays and easy turn taps, while kitchens include a waist-height oven, hob and washer dryer as standard. You'll find a fitted mirrored wardrobe in the bedroom and open space in the living room, giving you flexibility with furnishings.

Beautifully landscaped grounds are all maintained for you and are ideal for enjoying a cup of tea with the neighbours, or your family and friends. What's more, there is a Lodge Manager on hand to ensure everything is running smoothly.

“

From the Lodge Manager, to friendly neighbours, life at Churchill is more than just a retirement apartment.

FEEL SAFE & SECURE

SIMPLY SIT BACK, RELAX AND ENJOY YOUR RETIREMENT

We take the time to consider the little details; the ones that often make the biggest difference.

We fit all of our apartments with a careline support system. This is connected to a 24-hour support service, so in the event of an emergency, you have direct contact with either the Lodge Manager, or a member of the call-centre team, 24 hours a day, 365 days a year.

The system provides video door entry with a standard TV, allowing you to view any visitors on your TV before you choose to let them into the main entrance. An intruder alarm is fitted protecting the front door of your apartment, while ground floor apartments have additional sensors fitted, giving you that extra peace of mind. Fire and smoke detectors are fitted in communal areas and within your apartment, so you feel really safe and secure.

The welcoming Owners' Lounge is home to a variety of events, and is a popular spot for a catch up with your neighbours and friends, or for settling in a quiet corner to enjoy a good book. We have a programme of events which include an array of social activities. From cheese and wine evenings to keep fit classes, there is something for everyone.

Each Lodge has a Guest Suite which Owners can book for friends and family who wish to stay overnight, meaning no worries about making up the spare room. Owners can also book the Guest Suites in any other Churchill development throughout the UK.

AWARD WINNING PROPERTY MANAGEMENT

SERVICE YOU CAN TRUST

All Churchill Retirement Living developments are looked after by Churchill Estates, our own property management company. The Lodge Manager takes care of the day-to-day running of the development. They can answer any queries and help keep an eye on your apartment if you go away. Many of our Owners see their Lodge Manager as a friendly neighbour they can call upon, and someone who is there to offer a helping hand, should they need it.

A TRANSPARENT APPROACH

We are completely transparent when it comes to costs with no hidden charges, so you don't have to worry about unexpected bills. Our Sales team will be able to give you a breakdown of specific charges, so that you can see exactly how much everything costs and when it is payable.

Some properties may have a ground rent, specific details of which will be provided by your Sales Executive.

If you sell or sublet your property 1% of the gross sale price or 1% of the open market value if subletting is payable by way of contribution to the Contingency Fund, which is held on behalf of Owners towards longer term repair and replacement costs.

DISCOVER YOUR NEW LIFESTYLE WITH CHURCHILL

SAY GOODBYE TO MAINTENANCE

Maintaining a large house and garden could soon be a thing of the past, as the communal maintenance and upkeep of the development including the gardens are all taken care of for you. All those irritating, time-consuming jobs like window cleaning are now someone else's problem. Your new, low maintenance lifestyle will mean more time for you to enjoy doing the things you love.

OFFERING PEACE OF MIND

Owners have the huge advantage of a 'lock up and leave' lifestyle enabling them to simply lock up and leave their apartment in safe hands for weekends away and holidays.

Your Lodge Manager will be on hand, and your safety is of paramount importance to us. Living in a Churchill apartment means you'll be able to close your front door in complete confidence knowing that your apartment will be safe. What's more, Owners often find they are closer to friends and family, who can also benefit from the peace of mind that comes with a Churchill apartment.

RELAX, YOU'RE IN SAFE HANDS

We have won numerous awards for our Customer service and the way we operate, so it's fair to say we put our Customers at the heart of everything we do. With over 90%+ of Customers saying they would recommend us to a family member or friend (*Home Builders Federation (HBF) Customer Satisfaction Survey*) it's no wonder we are seeing more happy Owners enjoy their new Churchill lifestyle.

CUT YOUR LIVING COSTS

Make worrying about bills a thing of the past, with your brand-new energy efficient apartment you'll no longer have the hassle of fixing the boiler or unwanted draughts in an old house.
