Introducing your new apartment

Clinton Lodge is designed with you in mind. Your own apartment gives you privacy, when you want it, but a communal Owners' Lounge opens up a whole new social life with like-minded neighbours when you wish.

To give you more time to enjoy life, maintenance and upkeep of the development is taken care of for you. The safety and security features in your apartment, along with the running costs of the Lodge are covered by your service charge, so you can budget with confidence.

Beautifully landscaped grounds are all maintained for you and are ideal for enjoying a cup of tea with the neighbours, or your family and friends. What's more, there is a Lodge Manager on hand to ensure everything is running smoothly.

The heating system in your apartment consists of contemporary electric panel radiators. The slim panel radiators include an easy to use programmer and thermostat so that you can set each room differently.

Shower rooms feature low-level shower trays and easy turn taps, while kitchens include a waist height oven and hob as standard. You'll find a walk-in wardrobe in the bedroom and open space in the living room.

The electricity at this development is supplemented by photo voltaic (PV) solar panels. This helps to reduce electricity bills and ultimately reduces our carbon emissions to help the environment.

Typical living room

From the Lodge Manager, to friendly neighbours, life at Churchill is more than just an apartment.

Everything you need on your doorstep

Located in the Georgian market town of Lymington on the edge of the New Forest National Park, Clinton Lodge is a beautiful collection of 32 one and two-bedroom apartments exclusively for the over 60s. It is named after Clinton McCarthy one of the founders and owners of Churchill Living.

Clinton Lodge is well located in the heart of the town within easy reach of the High Street which offers a wide range of shops and boutiques and hosts a traditional weekly street market which attracts visitors from near and far to shop for local fine foods, crafts, jewellery and antiques.

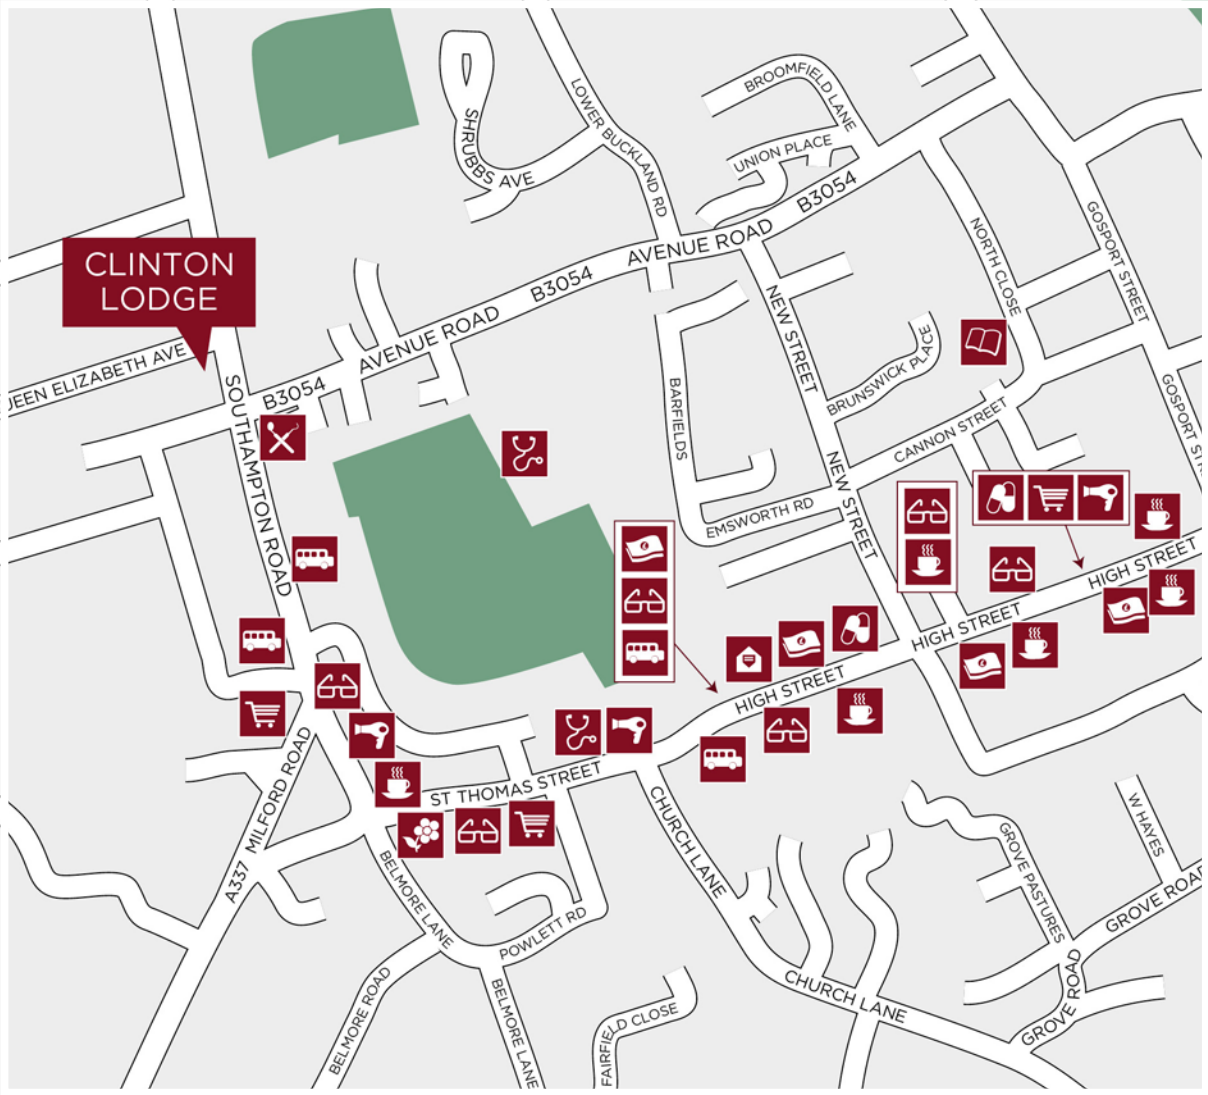

St Barbe Museum and Art Gallery is the focal point for arts and heritage and explores the history of Lymington and the New Forest coast with bespoke exhibitions from national galleries throughout the year.

The pretty cobbled streets of the old town lead to The Quay where you can watch the luxury yachts and fishing boats come and go or take a cruise along the river.

Situated on the bank of the Lymington River, Lymington is also a major yachting centre with three marinas and two sailing clubs and is also home to the Royal Lymington Yacht Club. The nearby Open Air Sea Water Baths are the oldest in the UK and a popular location for swimming during the summer months with views across to the Isle of Wight.

Safety and security is our number one priority

At Churchill we know the importance of feeling safe in your home.

We fit all of our apartments with a Careline system. In the event of an emergency, you have direct contact with either the Lodge Manager or a member of the call-centre team 24 hours a day, 365 days a year.

The system can also be used for calls to keep in touch with your neighbours, and even provides video door entry, allowing you to view any visitors before you choose to let them into the main entrance.

An intruder alarm is fitted to the front door of your apartment, while ground floor apartments have additional sensors fitted, alongside fire and smoke detectors in communal areas and within your apartment so you really can enjoy a safe and secure lifestyle with Churchill.

Award winning property management

SERVICE YOU CAN TRUST

All Churchill Living developments are looked after by Churchill Estates Management, our own property management company. The Lodge Manager takes care of the day-to-day running of the development. They can answer any queries and help keep an eye on your apartment if you go away. Many of our Owners see their Lodge Manager as a friendly neighbour they can call upon, and someone who is there to offer a helping hand, should they need it.

A TRANSPARENT APPROACH

We are completely open and transparent when it comes to costs, with no hidden charges, so you don't have to worry about unexpected bills. Our Sales team will be able to give you a breakdown of specific charges, so that you can see exactly how much everything costs and when it is payable.

When you come to sell your apartment 1% of the gross sale price achieved or 1% of the open market value if subletting is payable to a Contingency Fund which is held in a fund on behalf of all Owners at the Lodge to help with future repair and replacement costs.

A further 2% of the gross sale price will be payable as a Community Event Fee to Churchill Living, to help fund the provision of the communal areas which are a key feature in the development.

The Lodge Manager organises social events to create a welcoming community but the choice to join in is yours!

Enhance your lifestyle with Churchill

With over 90%[†] of Customers saying they would recommend us to a family member or friend (*Home Builders Federation (HBF) Customer Satisfaction Survey*) it's no wonder we are seeing more happy Owners enjoy their freedom to do more of what they love to do.
