- Gas Central Heating
- Double Glazing
- Unique views to the rear of the property
- Council Tax Band C

Description

A beautifully presented semi-detached two-bedroom villa located in a quiet residential setting in Bishopbriggs and within the school catchment area. The property is set in a cul-de-sac and has the feeling of being in a rural location due to its position fronting a large expanse of green land immediately to the back of the house. This is a rarely available opportunity to enjoy country style-like living within the heart of Bishopbriggs.
