Description

This is a beautifully appointed two-bedroom flat located in a modern development just off Great Western Road. The flat was constructed by Turnberry Homes and the development is also professionally landscaped giving it a very leafy feel. Set on the second (top) floor, the apartment has much to offer with high quality fixtures and fittings throughout and has been designed to maximise space and natural light. The flat is conveniently placed for easy access to West End and City Centre, local shopping facilities at Anniesland Cross and excellent transport links to City Centre, West End and beyond via Clyde Tunnel and M8 network.
