

19A Davenport Road, Coventry, CV5 6QH

Price £1,299,950

- Architect-designed detached bungalow, comprehensively remodelled and extended to create a highly individual, lifestyle-led home.
- Outstanding bathroom provision including three en-suites, a Jack & Jill shower room, plus a ground floor WC.
- Substantial central living room forming the hub of the home, linking seamlessly to the kitchen and leisure spaces.
- Separate cinema room providing a high-end home entertainment experience.
- Five bedrooms arranged across distinct wings, offering excellent flexibility for families, guests or multi-generational living.
- Bespoke Italian kitchen with integrated appliances, designed for modern day-to-day living and entertaining.
- Dedicated leisure wing featuring an indoor swimming pool suite designed for year-round use.
- Electric gated approach with tinted privacy glazing, enhancing both security and seclusion.

An exceptional architect-designed five-bedroom detached bungalow, comprehensively remodelled and extended, set within a private and secluded plot with electric gates, tinted privacy glazing, an indoor swimming pool, cinema room and beautifully landscaped wraparound gardens.

Discreetly set back behind mature planting in one of Earlsdon's most desirable residential pockets, this outstanding home has undergone a significant programme of renovation, extension and reconfiguration to create a highly individual, lifestyle-led residence. While perfectly placed for the city centre, it enjoys a notably private and tranquil setting, with a discreet approach and a plot designed to feel calm, contained and entirely secluded.
