A truly exceptional two-bedroom apartment located on Cochran Street, right in the centre of Paisley. Finished to an outstanding standard throughout, this is a rare opportunity to rent a property where every detail has been thoughtfully designed and finished with care and attention.

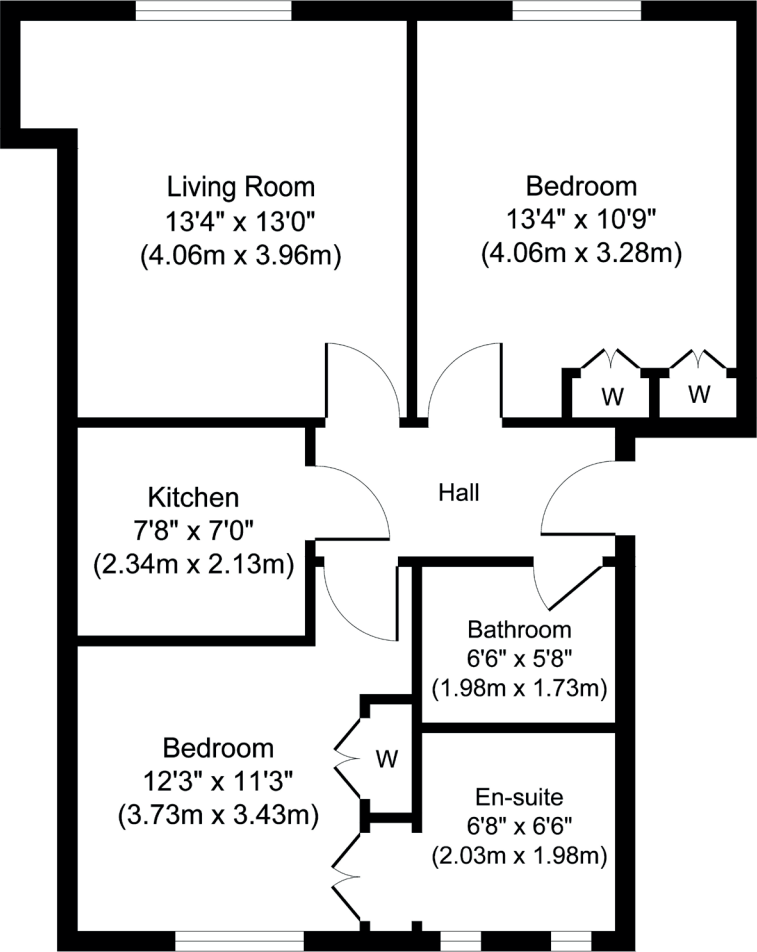

The spacious lounge is bright and stylish, with large windows bringing in plenty of natural light. Beautiful herringbone flooring runs throughout, and the room is furnished with a comfortable sofa, armchair, and a glass coffee table, all complemented by elegant corning and period features. The modern kitchen is finished to a very high standard, with marble-effect worktops, integrated oven, dishwasher and fridge freezer as well as feature extractor hood, and high-quality units providing ample storage.

There are two generous double bedrooms, both furnished with beds and offering excellent storage. The main bedroom features a fantastic hidden en-suite bathroom, cleverly accessed through a wardrobe door – a great feature that gives the apartment real character and style. The en-suite itself is beautifully finished with a traditional roll-top bath with gold claw feet, a matching wash hand basin, WC, and stunning wall panelling and tiling throughout.

The main bathroom is equally impressive, fitted with a large walk-in shower, WC, vanity sink unit, and finished with high-end tiling and modern fittings, offering a second stylish and practical bathroom for the property.

Further benefits include gas central heating, secure door entry, and access to a well-kept communal garden to the rear.

Located in a sought-after spot on Cochran Street, this apartment is ideally placed for easy access to all of Paisley's amenities. Paisley Gilmour Street train station is a short walk away, providing regular services to Glasgow city centre. The University of the West of Scotland is nearby, along with a wide range of shops, cafés, restaurants, and bars.

A real showstopper, this apartment stands out from the crowd and offers a level of finish rarely seen on the rental market. Early viewing is highly recommended.
