## Pulborough Road, Cootham, West Sussex, RH20 4JT

Offering almost 1900sq ft of living space, this detached cottage is believed to date back to the early 1800s and features a wealth of Georgian period features, complemented by some more contemporary touches. Originally part of the Parham estate, the property has been sensitively modernised and improved over the years and now offers very flexible accommodation, including a stunning L-shaped artist's studio, wrapped around a delightful lawned garden.

Set behind large timber gates, there is parking for a number of cars, plus an integral garage / workshop. The 27ft long reception room features a cosy woodburner at either end, with an open staircase in the centre of the room heading up to the first floor. The kitchen looks out onto the rear garden and leads to a useful utility room plus cloakroom/wc. There is a dining area off the kitchen which leads to the most amazing studio room, with sliding glass doors to two sides and a number of large skylights which flood the space with natural light. With a little imagination, this quirky room could be used in so many different ways - perhaps an open plan kitchen / dining / family room, stunning work from home space or even a mini annexe. Upstairs, all three bedrooms will take a double, the principle also featuring an ensuite in addition to the family bathroom.

Situated about a mile from the bustling village of Storrington, there are wonderful walks into the nearby South Downs almost from the front door. A range of shops, cafes, bars and restaurants will all be found within a 20 minute walk, along with the pre and primary school, nursery, doctors and dentists. Older children catch a bus to Steyning Grammar or commute to one of a number of excellent independent schools across the area.

## Energy Performance Certificate

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92-100) <b>A</b>		
(81-91) <b>B</b>		82
(69-80) <b>C</b>		
(55-68) <b>D</b>		
(39-54) <b>E</b>	53	
(21-38) <b>F</b>		
(1-20) <b>G</b>		
Not energy efficient - higher running costs		
England, Scotland & Wales		EU Directive 2002/91/EC
