Barnhouse Close, Pulborough, West Sussex, RH20 2HT

Offered chain free, this bright and airy first floor apartment is served by a lift and is situated within a modern block of just 12 apartments. The property has its own parking space right outside the front door, with all local amenities within a few minutes walk, including the station which offers direct routes to London and Gatwick.

The wide entrance hall has two large built in cupboards for storage plus a telephone intercom receiver to easily buzz visitors in. There are stairs and a lift from the communal hallway to just outside the apartment door. The large, open plan lounge/dining/kitchen features a modern range of units with integrated appliances and plenty of space for a table and chairs plus a couple of sofas. The Juliet balcony adds to the light, airy feeling of the property. Both bedrooms are good sizes, the principle has an ensuite shower and there is a clean, modern family bathroom. To the rear of the building, there is a very well tended communal lawn which has gated access to Barnhouse Lane and then down onto The Wildbrooks beyond.

An ideal "lock up and leave" type property, it's also well suited to lovers of the great outdoors, with the beautiful South Downs almost on the doorstep providing wonderful country walks.

Please note that the service charge was unusually high last year, due to some building redecoration and lift works. The block is managed by Barnhouse Close Limited and a number of the Directors live in the building themselves.
