LUNDY-LESTER

Barnhouse Close, Pulborough, West Sussex, RH20 2HT

This well presented second floor apartment is situated on the top level of a modern block of just 12 apartments. The property has its own parking space near the main entrance, with all local amenities within a few minutes walk, including the mainline railway station which offers direct routes to London and Gatwick.

There is lift access from the communal hallway downstairs. The flats entrance hall has two large built in cupboards, one of which has plumbing for a washing machine, plus a telephone intercom receiver to easily buzz visitors in. The large, open plan lounge / dining / kitchen feels very sociable, with a range of modern units with integrated appliances and plenty of space for a table and chairs plus a couple of sofas to relax on. Two skylights offer views to the South Downs. Both bedrooms are good sizes, the principal having an ensuite shower and there is a smart, modern bathroom. To the rear of the building is a large, well tended communal garden with gated access to Barnhouse Lane and then down onto The Wildbrooks beyond.

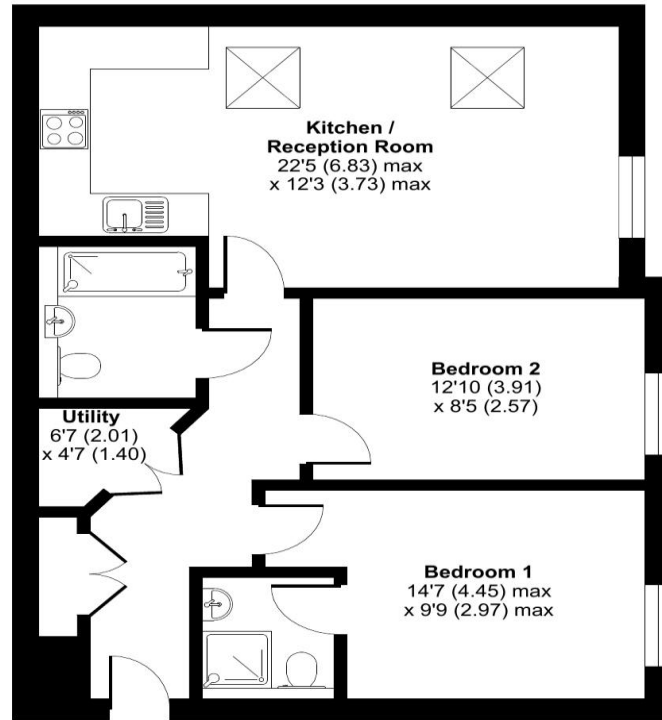

An ideal "lock up and leave" type property, it's also well suited to lovers of the great outdoors, with the beautiful South Downs almost on the doorstep providing wonderful country walks. A range of shops, bars, restaurants and takeaways are close by, with all local amenities within easy reach. The block is managed by Barnhouse Close Limited and a number of the Directors live in the building themselves, adding to the warm and welcoming sense of community here.

Barnhouse Close, Pulborough, RH20

Energy Performance Certificate

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

Energy Efficiency Rating

| | Current | Potential |
|---|---|-----------|
| Very energy efficient - lower running costs | | |
| (92-100) A | | |
| (81-91) B | | |
| (69-80) C | 79 | 81 |
| (55-68) D | | |
| (39-54) E | | |
| (21-38) F | | |
| (1-20) G | | |
| Not energy efficient - higher running costs | | |
| England, Scotland & Wales | EU Directive 2002/91/EC  | |
