Offered chain free, this two bedroom detached cottage has been sensitively remodelled by the current owner. Situated in the very friendly and welcoming village of Ashington, the property is conveniently placed for all local amenities, with shops, a cafe, takeaway, Indian restaurant and a lovely country pub all within a few minutes walk. The A24 is nearby, offering quick and easy access to Horsham or down to the south coast. A number of mainline railway stations are within 20 minutes drive, with direct routes to London and Gatwick.

There is gravelled driveway parking for two cars and a useful timber store / workshop. The front door opens onto a dual aspect kitchen / dining room with bespoke units and integrated appliances. French doors lead to a sunny patio with low maintenance, artificial turf lawn beyond. A surprising amount of built in storage was added internally as part of the extensive refurbishment, rare to find in a period property. The living room has a cosy woodburner and the heating system utilises an efficient air source heat pump. Upstairs, both bedrooms are doubles and share a stunning bathroom, with separate bath and shower.

Ready to move into, the property would make a perfect second home, first time or downsize purchase.
