Potts Lane, Pulborough RH20 2AH

Offered chain free, this semi detached house has been in the same family for over 50 years. It's a very loved home and would now benefit from modernisation and remodelling.

Situated within an elevated position above Lower Street, all local amenities are within easy reach, including a range of shops, bars, cafes and the local bakery. The primary school is only a few minutes walk away, with older children catching a bus to The Weald Secondary School from a couple of stops close by. Currently, the ground floor consists of a small kitchen, a bathroom and three reception rooms but there is plenty of scope to improve the layout, subject to the usual consents being obtained. There is a cloakroom / wc on the first floor, plus a double bedroom and a third bedroom / study area. The views towards the South Downs improve as you move the higher up through the house, with the top floor bedroom offering a beautiful view over rooftops.

The property is accessed via a pedestrian gate towards the top of Potts Lane, although there is also vehicular access to the double garage from the Lower Street end of the road. Pulborough's mainline station is about a mile away, providing direct routes to London and Gatwick.

The south facing garden has a choice of patio seating areas and a lawn, with space for children to play, or for adults to relax with family and friends.
