# Overview

---

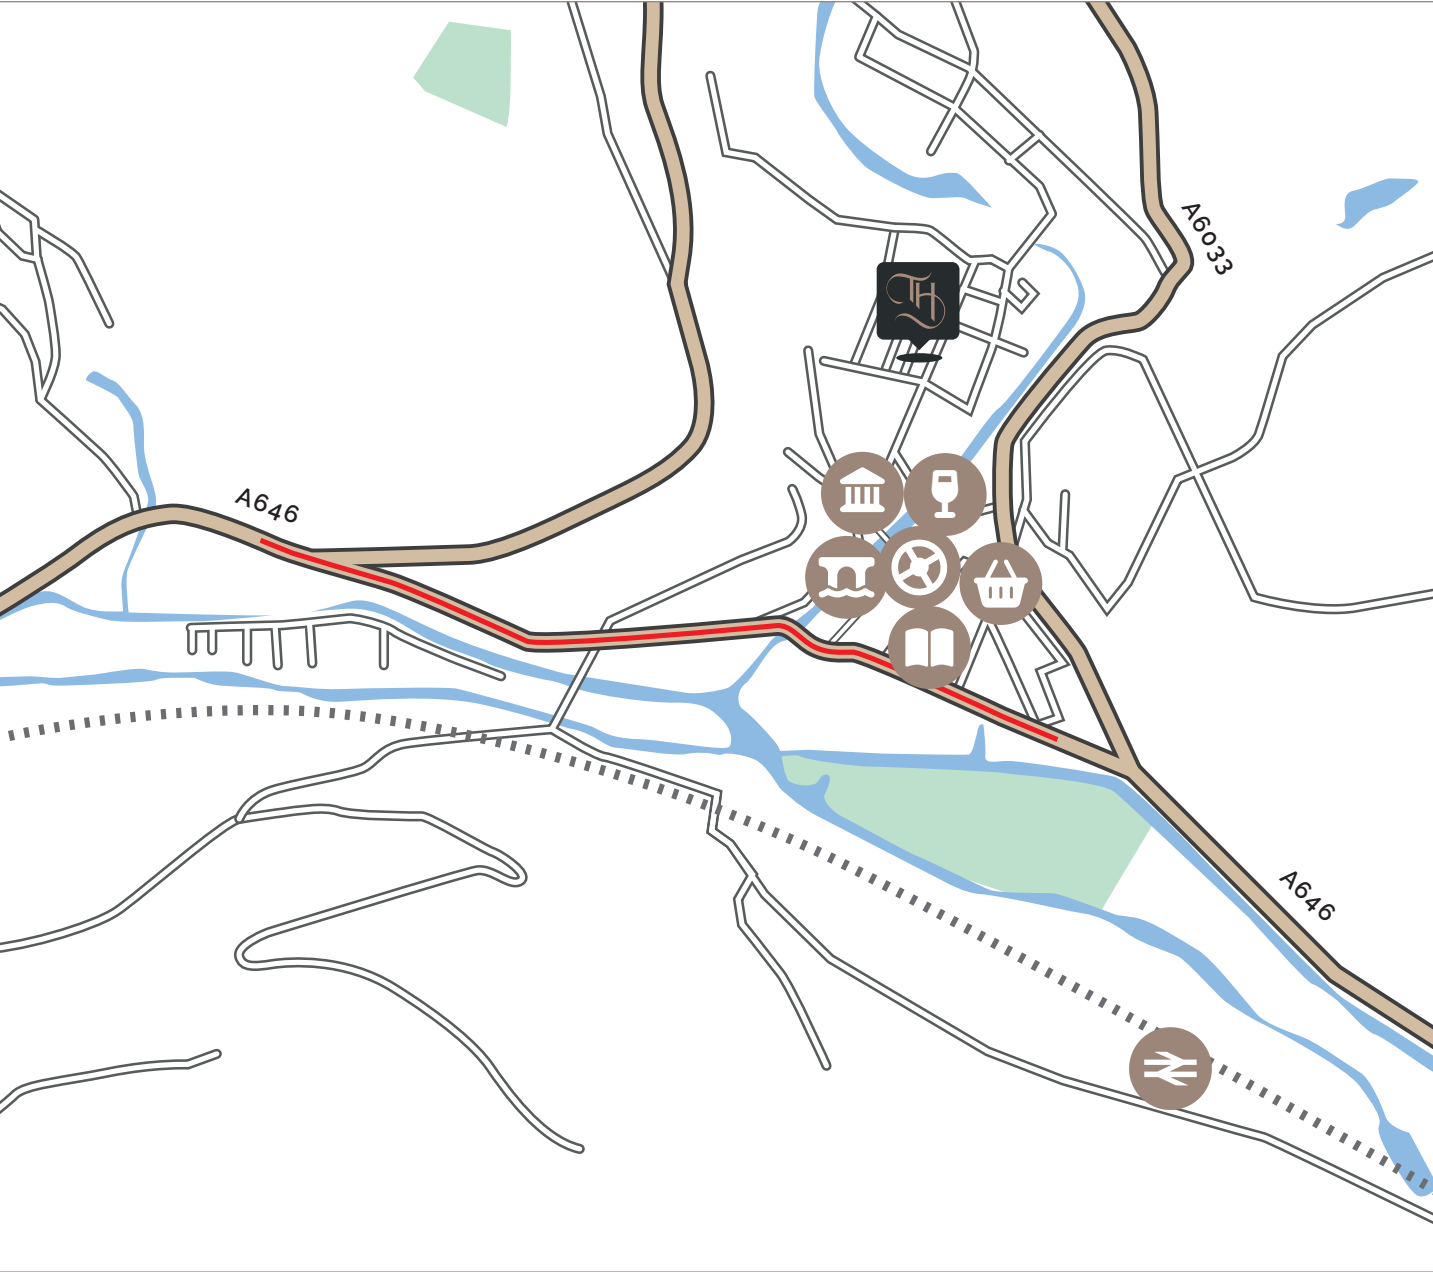

Set in the beautiful town of Hebden Bridge, Market Place is perfectly located to commute easily into Leeds and Manchester. With a new selection of 3 & 4 bedroom homes, there's something for everyone to choose from, and young families will be delighted with the selection of schools on offer.

Hebden Bridge was recently termed the 'funkiest town in Britain' by an article in a magazine. This is an accurate description; Hebden Bridge enjoys and fosters the creativity and freedom of its community. There is a myriad of genres of cafes and restaurants. There is a good number of specialist shops; if ever you want to purchase a gift then Hebden Bridge is the place for you. There's a theatre, a cinema and a live-music nightclub as well as good pubs and bars.

Wander the creative, bohemian streets of Hebden Bridge, and you can feel the influence of the writers and artists who flocked to the town around the 70s and 80s. From artisan shops and inspiring galleries to organic pavement cafés and charming picture houses, the town is justifiably proud of its artistic identity. Just a few minutes away you will find pretty wooded valleys and picturesque heather moorland ensuring a perfect blend of modern living in a historic setting.

SMART MOVE

HOW IT WORKS

Select and reserve a new home on one of our Torsion Homes developments

We will employ independent experts to value your existing property

We work with you to agree a value then and then an independent estate agent will be instructed to market your property at that agreed price

We will work with all parties to achieve a quick sale and contribute towards your fees

If your reservation period expires before you have sold your home, we will be on hand to discuss the best way forward to get you moving into your new Torsion Home
