

Broadnook Garden Village

Leicester

Our name has been synonymous with building since 1885, when Charles William Bovis bought a construction company in the London Borough of Marylebone and changed its name to CW Bovis & Co.

From those foundations has grown a Bovis heritage to be proud of, including quality homes and communities across Britain.

Welcome to Broadnook Garden Village

Our prestigious development of brand new homes is located to the south of Rothley in Leicester.

Broadnook Garden Village offers a collection of luxury 2, 3, 4 & 5 bedroom homes.

A taste of local life

Enjoying a vista across Bradgate Park, Bovis Homes at Broadnook Garden Village is named after the ancient Broadnook Spinney running adjacent to the development.

Location

Broadnook joins the ranks of the picturesque Charnwood villages - some of the most sought-after areas in Leicestershire. Nestled next to Rothley and close to Mountsorrel and Quorn, each of these villages has their own local centres offering independent shops, delicatessens, cafes, restaurants and pubs. There is also an ample provision of local Co-op Food stores along with a Waitrose supermarket nearby.

Getting around

Broadnook has impeccable transport links to both Leicester and surrounding areas, being just six miles from Leicester City Centre and seven miles from Loughborough. Positioned just off the A6 and A46, a few minutes drive will put you in the heart of Leicester and all the communities, services and retailers you know and love. The development also boasts easy access to the M1 north and south. Leicester is a key stop on the Midlands Mainline to London, delivering you to the Capital in 75 minutes, while East Midlands Airport is a 25-minute drive up the M1.

The vision

Broadnook's vision is to deliver modern community living. Through leafy, tree-lined avenues, a pristine park, nature-friendly cycling trails and allotments, Broadnook has been designed keep the community in touch with nature. Furthermore, located on the doorstep of protected nature corridors and The National Forest, Broadnook aims to truly embody the spirit of a Garden Village. The design code for Broadnook is anchored in tradition, taking cues from the local villages in the area, in particular the Edwardian designs featured in the village of Rothley.

Broadnook aims to provide everything a thriving community needs right on the doorstep. With exceptional connectivity at its heart, whether escaping to the country, raising a family, or seeking to be part of a thriving community, discover Broadnook and find your perfect home. From nurseries, schools and a local care home, to shops, brand new sports facilities and cafes there will be something at Broadnook for everyone.

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. That's why we are proud to have developed and launched our new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining the classic architectural traditions on which Bovis Homes has built its heritage and brand since 1885.

An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included to create spacious, sociable living areas, while attention to master bedrooms and en suites has given the homes added desirability.
