A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Church View.

Coppull sits in the heart of the North West, in easy reach of Preston, Blackburn and Bolton. Junction 27 of the M6 is less than ten minutes' drive away, and M62 junction 8, at Chorley, can be reached in less than 15 minutes. Direct trains from Chorley Station, three miles from the development, reach Blackpool and Manchester in around 40 minutes and also serve Preston, Bolton, Lancaster and Windermere. Frequent buses between Wigan and Chorley, calling at the railway station, stop around five minutes' walk from the development, with the trip into Chorley taking less than 20 minutes.

Church View occupies a very special location within the village, close to open countryside yet just a few minutes' walk from a choice of local shops and services. There is a Co-op Food store, a pharmacy, post office, convenience stores and off licences, confectioners, florists, hairdressers and other specialists, as well as takeaways and cafés. A wider selection of retailers, ranging from Asda, Morrisons and M&S supermarkets to covered and open-air markets selling fresh produce, can be found in neighbouring Chorley, where there is also a six-screen cinema and a leisure centre with two swimming pools, a gym, sports hall and squash courts. Local pubs include The Springfield, less than five minutes' walk from the development.

Welcome
home

With its semi-rural setting a few minutes' walk from the shops and services of Coppull, just three miles from Chorley town centre, this attractive new neighbourhood of energy efficient three and four bedroom homes adds the appeal of village life to an exceptionally convenient location. In easy reach of the M6 and M61, it combines superb local amenities and activities with an excellent base for travel throughout north west England. Welcome to Church View...

The Miller Difference

your home
your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, we'll over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

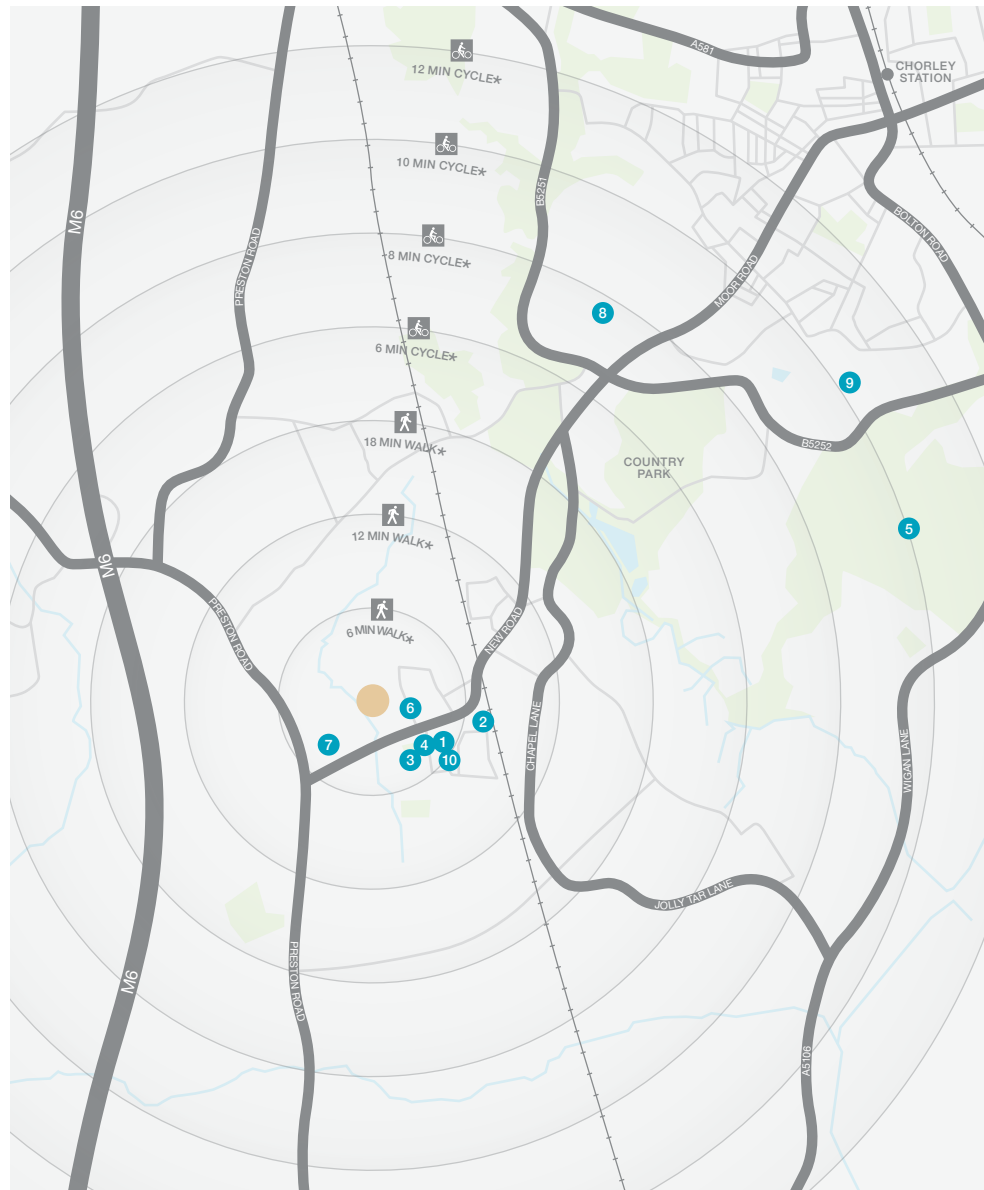

Coppull Library, in addition to providing books and IT services, hosts a range of family activities throughout the week. Community leisure facilities within a short walk of Church View include a sports hall, climbing wall and trampolining, and there is a fitness studio next to the Leisure Park. Coppull also has active football and rugby league clubs, a fast BMX track, and local golf clubs include a superb 18-hole course at Duxbury. The area also offers miles of beautiful, peaceful countryside, including the extensive Yarrow Valley Country Park with its woodland trails and waterside paths.

Coppull Primary School and Nursery is just a few yards from Church View, and St Oswald's RC Primary is less than half a mile away. Both are assessed as 'Good' by Ofsted. For secondary education, Southlands High School and Holy Cross Catholic High School are both located at the southern end of Chorley, approximately two miles away. Coppull Medical Practice, less than ten minutes' walk from the development, is a full-time surgery staffed by six GPs with full nursing support, and there is a choice of dentists in Chorley.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

90 years of miller homes

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
