## Chestnut Cottage

Occupying an idyllic position on The Green South, this detached house, close to the church, has a wonderful outlook in Warborough, a charming village, steeped in history. The house has a great atmosphere and offers an opportunity for improvement.

Entering the house through the porch leads you to a light dining room which adjoins a south-facing living room with high ceiling and an open fireplace. An exposed section of brickwork, is a particularly nice feature. Patio doors gain entrance to the garden. The dining room leads into the kitchen, a cloakroom/utility area, a secondary entrance, and direct access to the garage.

The first floor features a split landing, again with attractive exposed brickwork as a feature, leading to three bright bedrooms and a bathroom. The dual aspect master bedroom has views over the village.

## Outside

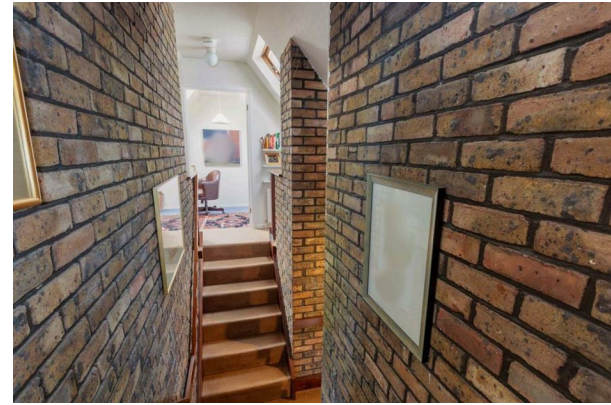

There is a parking area and access to the garage. The rear garden is very private, laid to lawn, with shrubs, a patio area and side access.

## Situation

The location of Chestnut Cottage is a delightful one. The views to the pretty cottages opposite and the church beyond, combine to offer a picturesque and tranquil setting within an area of many beautiful footpaths and bridleways. The local public house, The Six Bells, is on the adjacent green together with the village cricket club. Nearby is the tennis club.
