Welcome to *Gardenia Court* at Verdant Place

Nestled in the heart of Epping town centre, Gardenia Court boasts a contemporary collection of just 10 new 1 and 2 bedroom apartments.

Perfect for modern living, each of the homes has been designed to maximise space and light, and all come complete with a desirable specification.

Offering the perfect mix of nature and city living, it is easy to see why Epping is such a property hotspot. With a wealth of green open space and forestland on the doorstep, yet boasting enviable transport links and local amenities, it really does have it all.

The Story, The Vision

At Qualis Homes, we're driven to create inspiring places and spaces that are designed for modern living.

Passionate about retaining character and enhancing locality, we're committed to positively shaping the community by investing, building, maintaining and renewing the places where you work, live and play.

Where it all started

Qualis was established by Epping Forest District Council with the objective of contributing to the continued growth of the local economy, and improving housing and public facilities.

Rooted in the district, we bring an in-depth understanding of the area and an unrivalled commitment to those who live here. We are passionate about designing and building developments that not only champion sustainability, but also embrace diversity and promote strong, vibrant communities.

“

Our homes have been thoughtfully designed to complement the existing charm of Epping town centre, delivering a development that both residents and the wider community can all take pride in.

”

Our future vision

Protecting the future of our planet is fundamental to what we do. We're taking a proactive approach to driving innovation in design and sustainable construction. Our goal is to deliver quality, whilst ensuring the environment is at the heart of what we do. We strive to create an even better district and a better world for everyone.

As a trusted and reliable Essex-based brand, we believe in our district and its community. Our unique promise to always reinvest our surplus underpins this belief and our ongoing commitment. This is our journey and we're excited to share it with you.

Reinvesting Across Our District

Our new homes are part of a much bigger vision. We're reinvesting millions back into the district through local health, recreation and education facilities. Creating employment opportunities, introducing green transport initiatives and cultivating natural green spaces for all to enjoy.

Championing Sustainability

Sustainability is at the forefront of everything we do. All of our homes are built using a fabric-first approach and incorporate a variety of environmentally-friendly features including heat pumps, solar panels, electric car charging points, biodiversity roofs, and bicycle storage*.

Growing Vibrant Communities

The homes available at Verdant Place are designed to appeal to a mix of residents and foster the growth of an inclusive, supportive community. As a part of our local community, together we benefit from partnering on local projects and initiatives that ensure our district continues to flourish.

Creating Quality New Homes

Homes at Verdant Place have been crafted to offer the best of 21st century living. Together with modern fixtures and fittings, the internal layouts have been meticulously designed to fully optimise the space. It's this care and attention to detail that is synonymous with our brand and creates places you are proud to call home.

Delivering Professional Customer Service

From your very first contact with us, all the way through to moving into and living in your new home, you can rely on the Qualis team for support and guidance throughout your journey. We're passionate about doing the right thing and are dedicated to ensuring that each of our customers receives a personal, quality service.

The Location

Epping offers the perfect blend between country and city living. Surrounded by the rolling hills and lush greenery of the forest, Epping offers you the opportunity to enjoy the tranquillity of rural life, yet boasts a plethora of local facilities.

Located at the southern end of Epping High Street, Verdant Place benefits from a variety of high street shops, boutiques, restaurants, pubs, schools and recreational facilities all on its doorstep.

Epping's historic market is open each Monday throughout the year. A staple favourite with the

locals, its growing reputation attracts visitors from all over the district. With over 84 stalls, buyers can purchase items from fresh fruit and veg, to vintage cheese and nick-nacks aplenty.

This quaint little market town also enjoys enviable transport links. The M11 and M25 are both within easy reach and Epping station, on the Central line, boasts direct services to London Liverpool Street in just 38 minutes.

The ideal location for those looking to experience the best of both worlds, Epping really does offer something for everyone!

Parks and outdoor space

Discover idyllic bliss in Epping's beautiful parks and forests.

A shopper's paradise

Explore a blend of high street favourites and unique market gifts.

Great restaurants

Savour the flavour of diverse culinary delights on your doorstep.

Leisure activities

Enjoy a range of leisure pursuits.

Epping Forest

Known for being one of the largest areas of ancient woodland in the country, the idyllic Epping Forest is the perfect place to escape the hustle and bustle of everyday life. Retreat into the breathtaking expanse of the forest, renowned for its stunning views and abundance of wildlife.

Steeped in history, myth and legend, and with over 6,000 acres of stunning woodland to explore, Epping Forest remains a sanctuary for wildlife and a source of inspiration for writers and artists alike.

Find a quiet spot to relax, either in the sunshine or the shade, and soak up the true beauty of the ancient forest.

Bike paths and tracks

Connect with nature as you explore the diverse range of cycling routes available. With a network of scenic paths and tracks winding their way through the forest, you're guaranteed to be enchanted.

Walking routes

Wander around the many trails and paths discovering a wealth of stunning flora and fauna. Ideal for walking the dog or spending quality time with the family.

Perfect picnic spots

Stonards Hill Recreation Ground is just a 14-minute walk from Gardenia Court, so whether you're looking for a fun day out with the kids or to relax in the sunshine after a long day's work, you've not got far to travel.

Great Spots Near You

It's time to discover your new neighbourhood. With so much to explore and enjoy, you'll never run out of things to do.

- Build-Zone 10-year warranty

Your Qualis Homes Customer Journey

We are here to help guide you along the way. From reservation to aftersales, and everything in between, follow our step-by-step path to making your move!

Keeping in touch

Throughout your Customer Journey, your Sales Advisor will be in regular contact, providing updates and information. Don't forget, if you have any questions, we're just a phone call away.

Step 1 Reservation Process

Once we have checked your ID verification, we'll take you through your Reservation Checklist, which covers everything you need to know about your new home. This is followed by the Reservation Agreement, which provides further details about your purchase including the terms of sale. After this, you will be asked to pay your reservation fee.

Step 2 Contract Exchange

Following the Reservation Process, we'll issue a contract to your solicitor with a target exchange date. They will then do their due diligence before sending you the contract for signing and also request the deposit ready for exchange. If you are buying with a mortgage, you will need to get this in place.

Step 3 Home Quality Check

Once your new home is ready, the warranty provider will conduct their final inspection. The build team then adds the finishing touches before we carry out our Qualis Quality Qualification (QQQ). Once completed, we will serve notice to your solicitor. At this point, you can discuss move-in dates.

Step 4 Home Demonstration

This gives you the opportunity to look around your finished new home, from top to bottom, and familiarise yourself with all its features and fittings. If requested, you will also be given the option to appoint a suitably qualified representative to carry out a Pre-Completion Inspection.

Step 5 Home Move In

Once your solicitor has put legal completion in motion and monies have been received, we'll contact you to let you know you're the proud owner of your new Qualis home. Your Sales Advisor will meet you at your home to congratulate you and hand over the keys.

Step 6 Aftersales Service

Following your completion, we'll stay in contact to see how you're settling in and getting used to your new home. You also have the reassurance of our 2-year Qualis Homes warranty, along with the 10-year Build-Zone warranty. So, if you need any help or support, our team are on hand.

Embracing Our Community

As a truly local property company, we constantly strive to create new, sustainable developments that enrich our community.

This is fundamental to our bigger vision, to create places where people can grow, thrive and make lasting memories. We support vibrant, diverse and inclusive communities that foster a sense of belonging, drawing on our heritage and looking forward to a bright future together. Through our pledge to reinvest any surplus, our commitment goes beyond the homes that we build. We embrace partnership

working to develop effective, productive relationships with community groups and stakeholders. We are driven by the needs and desires of our district and how together we can create lasting opportunities. That's why we're reinvesting millions of pounds back into our district; its people, its economy, its environment, and most importantly, its continued prosperity.

Why Buy New?

Chain free

No upward buying chains means less stress, fewer delays and the potential for a quicker purchase.

Brand new

Our homes are packed with modern features and finished to high specifications so you can enjoy the best of 21st century living.

Blank canvas

Make your home your own. With our new homes, you're starting from scratch, so you can put your stamp on your home from day one.

10-year warranty

All our homes come with a 10-year warranty, so you can move in with peace of mind, knowing that in the unlikely event anything does go wrong, we've got you covered.

Low maintenance

Your home has been built with modern, durable materials, designed to offer easier maintenance - leaving you more time and money to enjoy living.

Championing Sustainability

At Qualis Homes, we're passionate about building homes for the future. Our homes are innovative both in their design and development. To us, minimum standards are just a starting point and we're committed to going above and beyond to achieve more.

Qualis homes are built with the next and future generations in mind and utilise low-carbon construction methods, as well as locally-sourced materials. We take pride in incorporating high performing glazing and insulation, together with modern, efficient heating and ventilation systems. As a result, you could save up to 65% on your energy bills – that's an estimated household saving of £165* a month.

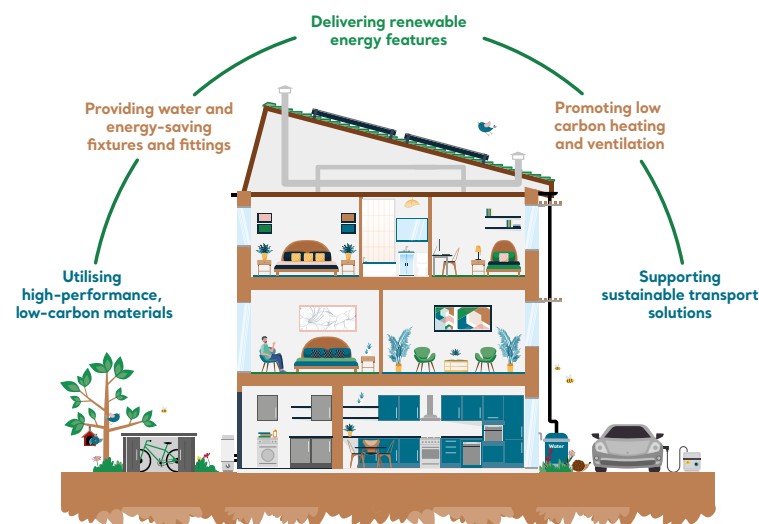

We recognise that sustainability isn't just about how we live in our homes, it's also about how we travel to and from them; it's the little things that can make a big difference.

The locations of our developments are carefully considered and take full advantage of the choice of transport links available within the district.

Many offer on-site electric vehicle charging, bike storage and car clubs, so our residents have the option to make sustainable choices and lower their carbon footprint.

Biodiversity is essential to supporting our environment. Our developments include a wealth of sensitively selected plants and trees that run, ribbon-like, throughout the landscape. These enriching green spaces not only promote a healthy ecosystem but also help foster a sense of community in harmony with nature.

We respect our natural surroundings, establishing seasonal changes and nesting patterns as part of our programmes and incorporating animal-friendly features across our developments. So if you take a closer look, you may see a hedgehog out for a walk, or a bird or bee on the way back to their Qualis home.

Features may vary across developments and plots.

New Build Sustainability Smarts

Most Qualis Homes have an energy efficiency rating of band A or B, while just **5%** of existing properties reached this same standard*.

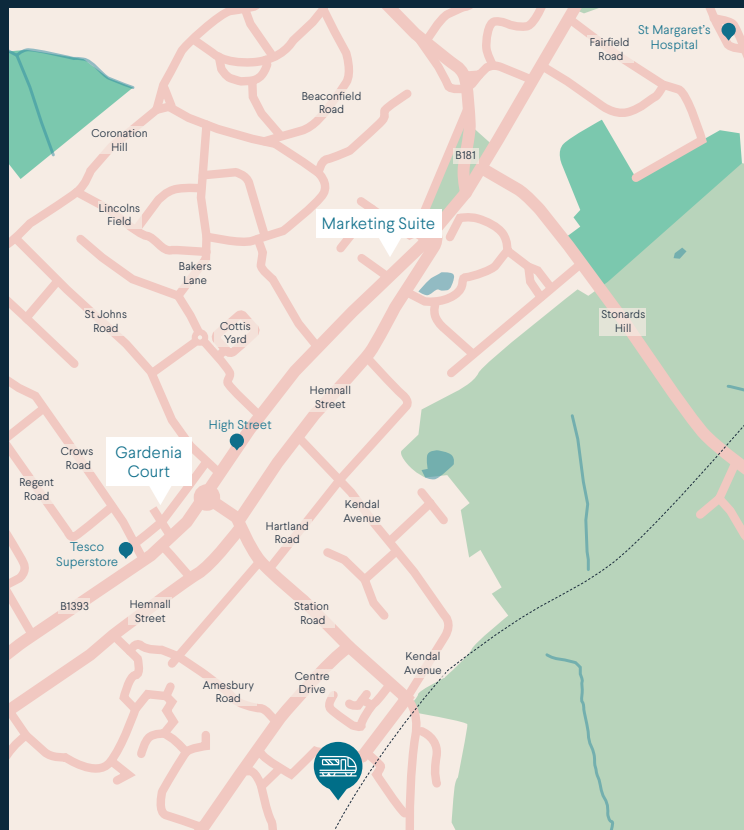

On average, energy bills are up to **50%** cheaper in new build homes*.

This could save you up to **£979** each year on your energy bills*.

Reduce your carbon emissions by **65%** in a new build home*.

Use up to **35,040L** less water in your new build home†.

*HBF, Watt a Save – January 2025. Features may vary across developments and plots. †HBF Water Save <https://www.hbf.co.uk/policy/water-save/> (Household of 2.4 people) – November 2024.
