# The Property

This substantial 1930's detached bungalow offers lots of space to live and a great sized plot whilst being less than a mile from the city centre. Beautifully presented three bedroom, two reception room accommodation complete with large front and rear gardens, a detached garage and driveway parking.

Entering the property there is a recently re-built good sized porch offering a very useful space for coats and shoes. Through a further door there is a wonderful entrance hallway typical of the 1930's era giving an immediate spacious feel and providing access to all areas of the property. To the right is a luxurious master bedroom with views over the front garden, a further double second bedroom and the third a good sized single as well as a modern family bathroom with separate bath and shower next-door. To the left hand side of the property is a spacious lounge overlooking the front garden complete with wood burner whilst to the rear is an open plan fully fitted modern kitchen within dining room as well as a useful rear porch. The accommodation is well proportioned, full of character and has the added benefit of a new slate roof above and loft ventilation system offering modern convenience to a prospective buyer.

Outside is a real treat, particularly considering the proximity to town, with a large front lawned garden with planted beds and stone wall providing a green barrier from the road. To the rear is a perfect family garden with lawn, planted beds and trees enclosed by fencing and complete with a recently completed patio area and pergola enjoying day round sunshine. The driveway leads from the main road to the side of the property and opens to a turning area at the rear with parking available for at least three to four vehicles and a detached garage in the rear corner which has been recently overhauled as well. There is the further benefit of an outside store located directly behind the property providing further covered storage.

The property has had a mundic test confirming an assignment of 'A' meaning all clear and fully mortgageable.

This is a superb property for those wanting the convenience of town but with a great sized plot, spacious accommodation and little to nothing to do on move in day. Highly recommended for internal viewing.
