The Property

Built in 2015 this two bedroom terraced house is a great option for those desiring a low maintenance home in a lovely location with nothing to do on move in day. Well presented, highly specified accommodation with good proportions measuring 667 sq ft in total.

On the ground floor a useful entrance hallway provides plenty of space for coats and shoes with a good-sized cloakroom as well. A doorway provides access to the fabulous open plan kitchen/dining/living room with engineered wood flooring and plenty of natural light. The kitchen is a good size, fully fitted with appliances and the family friendly layout provides a seamless level access to the rear garden. Upstairs there are two double bedrooms and a fully fitted modern family bathroom.

Outside there is a good sized rear garden enclosed by walls and fencing laid with lawn and planted beds with the added benefit of rear gate access. To the side of the house there is allocated off street parking for two vehicles in tandem as well as unrestricted parking on the street in front.

This is a great opportunity to purchase this lovely home in a popular location close to schools and comes highly recommended.

The Location

Centenary Way is situated between Truro and Threemilestone around 2.5 miles West from the city centre and therefore close to Penwith college campus, Richard Lander secondary school, Treliske Hospital, Truro Golf Club and a local Costcutter convenience store. The village of Threemilestone is less than half a mile away which has a Co-op, Victoria Inn pub, pharmacy, butchers, Chinese takeaway and excellent Fish & Chip shop. Heading out of town you'll be on to the A30 in less than 10 minutes and driving in to town will take around the same. There are excellent transport links here with bus stops on the nearby main road heading in either direction on a regular basis. Whilst being convenient for the city you are also close to nature here with lovely walks on the doorstep and green spaces with a playing field located literally at the end of the road which connects to Halbullock Moor Nature Reserve and continues out into the countryside beyond.

Truro is the capital of Cornwall and as such boasts much in the way of vibrancy and a real 'buzz' all year round. There is a vast array of excellent restaurants, bars, pubs and cafes as well as varied shopping facilities from main high street retailers to independent shops and local markets. Well renowned schools are in abundance and there is a main line railway link to London (Paddington) within 5 hours. Draws such as the newly renovated Hall for Cornwall, historic Truro Cathedral and Royal Cornwall Museum are on one's doorstep with regular city events taking place throughout the year such as Truro Food Festival, City of Lights and famous Christmas markets.
