Alongside its appeal as a seaside resort, Torquay offers excellent schools, healthcare facilities, and transport links, making it a highly desirable place to live, work and invest. DESCRIPTION

Bettesworths are delighted to offer the opportunity to acquire two self-contained maisonettes, sold as one property, situated in a converted former Rubber Works building, tucked away just behind Torquay's picturesque Harbourside.

The property comprises:

15a – A 2 storey floor property offering 1 Bedroom, Lounge/Kitchen/Diner and Bathroom with garage at ground floor level (could be converted to living space).

15b – As 15a however the garage has been converted to a spacious Kitchen/Lounge/ Diner allowing 2 bedrooms on the first floor.

Both units would benefit from some modernisation and improvement works and are ideally positioned for both long-term residential letting or as short-term holiday lets, capitalising on Torquay's year-round popularity as a coastal resort. Alternatively, the property would suit owner occupiers looking for a centrally located home with income from the second unit. It should be noted that a separate water supply will need to be brought to the property.
