LOCATION

Belvic Court occupies a prime, elevated position on Orchard Gardens, a residential road in the heart of Teignmouth. The property is within the town centre, with close proximity to the seafront promenade, and train station, making it highly attractive to tenants. Teignmouth is a thriving coastal town on the South Devon coast, popular with both residents and tourists due to its beaches, local amenities, and strong transport links including direct rail services to Exeter and London Paddington.

This location would particularly appeal to investors looking to attract long-term tenants, young professionals, or those exploring holiday lets subject to necessary consents.

DESCRIPTION

Belvic Court is an early 20th century block of eight self-contained flats arranged over six floors. The property retains many elegant features including ornate plasterwork, wide staircases, and high ceilings. The configuration includes seven one-bedroom flats and one two-bedroom flat, with access via a communal hallway and stairwell.

Externally, the front elevation has recently undergone repainting and is in good condition. There is a private garden and access pathway to the rear, where a modern detached brick-built unit (housing two of the flats) is located.

While the flats are generally in lettable condition, several would benefit from modernisation, presenting a strong opportunity to uplift rental values. All units have separate electric meters, with a mix of water meters and water rates.
