

Elmbrook Park

Coppull, PR7 5FG

Welcome to Elmbrook Park.

We go to great lengths to craft beautiful, well-built homes that are anything but standard.

Built with modern living in mind, think spacious, open plan living areas that offer the flexibility to live your way. All finished with the highest attention to detail and a specification that includes more than you'd expect.

Our expertly crafted, eye-catching exteriors are a cut above the rest, with generous gardens and details that make your home feel unique.

Discover your forever home at Elmbrook Park, Coppull.

Homes that are
built to last,
with a high
specification.

Step inside a Story home and you will find a high specification, with more included than you might think. Here are just a few of our favourite features...

Designer kitchens with bi-fold or French doors

Larger gardens and paved patio areas

Porcelanosa bathroom tiles

“When designing our house types we want to create spaces that appeal to modern families. Open plan, flexible layouts with space for the whole family to live comfortably. That’s exactly what we have created with the Story Collection, and we couldn’t be more proud.”

Andrew Hewson, Head of Design

High-quality materials

Open plan flexible living

Beautiful street scenes

Build quality
with no
comparison.

Sustainable Story

At Story Homes we don't just build houses; we build homes that contribute towards greener and long-lasting communities – Sustainable Story is our commitment to this.

As a responsible, privately-owned housebuilder, it's always been important to us that sustainable building techniques are used whenever possible, to ensure we're enhancing the local area rather than taking from it. Our goal is to build high quality homes and sustainable communities that stand the test of time and can be enjoyed by future generations.

We are committed to building energy efficient homes that not only look beautiful but are sustainable for generations to come. Our homes could save you money and also help the environment; a new build property is greener and more economical to run than an older property as it uses less energy and produces significantly lower CO2 emissions.

Our homes typically have an A or B Energy Performance Certificate (EPC) rating for energy efficiency. This means that our customers could be eligible for a green mortgage, offering you a reduced mortgage rate, a standard rate with cashback or a higher loan, enabling you to purchase your dream home.

Homes
for future
generations.

1 Building Regulations: conservation of fuel and power

Part L of the Building Regulations covers the conservation of fuel and power in the building of new homes and establishes how energy-efficient new homes should be. All of our homes are compliant with Part L regulations.

2 Electricity

100% of electricity provided to our new homes is renewable and is backed by the Renewable Energy Guarantees of Origin (REGO) scheme. All lights that are fitted internally in our homes are energy efficient.

3 Water

Specific sanitaryware and fittings have been selected for our homes for their efficient water use, including dual flush toilets and flow restrictors.

4 Recycled materials

The standard cavity walls in our homes are insulated using a recycled glass insulating material with an A+ Generic BRE Green Guide rating, and has Zero Ozone Depletion Potential and Zero Global Warming Potential.

5 PV solar panels

Many of our homes are fitted with Photovoltaic (PV) 'solar' panels on the roof to generate electricity in daylight hours. The electricity generated by the PV is converted by an inverter and then used in the home.

6 Electric vehicle charging points

The homes at all of our new developments with parking facilities include electric vehicle charging points, meeting the government's criteria for futureproofing new homes.

7 Sustainably sourced timber

Is used throughout the build of our homes. The National Timber Systems brochure we use states that all products have full traceability under their certifications through the Forest Stewardship Council and Sustainable Forest Management.

8 Roof insulation

Our homes are fitted with a substantial amount of glass wool/polyisocyanurate insulation at ceiling level and between the roof rafters* to retain heat within the home.

*house type dependent

Homes that are
built to last,
with a high
specification.

Of course, every home is unique. But with a new Story home, you'll discover some elements are shared. Like open plan living areas that radiate light and space. Well-designed kitchens that deliver practicality and durability. Beautifully designed bathrooms and en-suites that take centre stage. Plus with media plates and a centrally located router, our homes are made with modern living in mind. French or bi-fold doors also come as standard, helping to create a seamless link between your home and garden.

What's more, when you buy a new Story home, you have the opportunity to personalise your home even further with our choices, upgrades and optional extras which can be incorporated seamlessly into your new home.

Visualise your
perfect kitchen.

Design your dream kitchen from the comfort of your home.

We know how precious your time is, so we've created a kitchen designer tool that allows you to see your choice of stylish kitchen cupboards, worktops, flooring and appliances in a typical 3, 4 or 5-bedroom Story home.

At the touch of a button you can visualise your perfect kitchen, share it with your friends for that all important second opinion, and send your favourite choices to your Sales Executive.

Plus, our customer account area allows you to search for your perfect Story home, save your favourite plots and keep track of everything all in one place.

Get started here.

Founded
in 1987

We are passionate about building homes that we are proud to put our name to.

Our mission is to design and build quality homes that people aspire to live in. Homes that are designed for modern living, and built to be anything but standard, with flexible layouts, integrated appliances and high-quality materials.

We have been successfully building homes that stand out from the crowd across Cumbria, the North West, North East and Southern Scotland for over thirty five years. But we would not be where we are today without our people, our craftsmen, our suppliers, and, of course, our customers.

Our passion, commitment and enthusiasm drives us to be the best and create spaces that people are proud to call home. We are one team, working together to 'do it right', and our exceptional quality and attention to detail runs through everything we do.

Customer satisfaction has always been one of our key strengths, and we regularly receive superb feedback from our customers. We use this to help us make continuous improvements to our homes and our after-sales service.

Taking care of you

Our reputation is firmly built on the quality of our exceptional homes and our high standards of customer service. Before you move in, you'll be provided

with a comprehensive 'Home Information File' that explains everything about your new home and what you can expect throughout your customer journey.

Prior to moving in you will receive a home demonstration from your Site Manager and Sales Executive, who will answer any questions you might have about your new Story home.

Going the extra mile

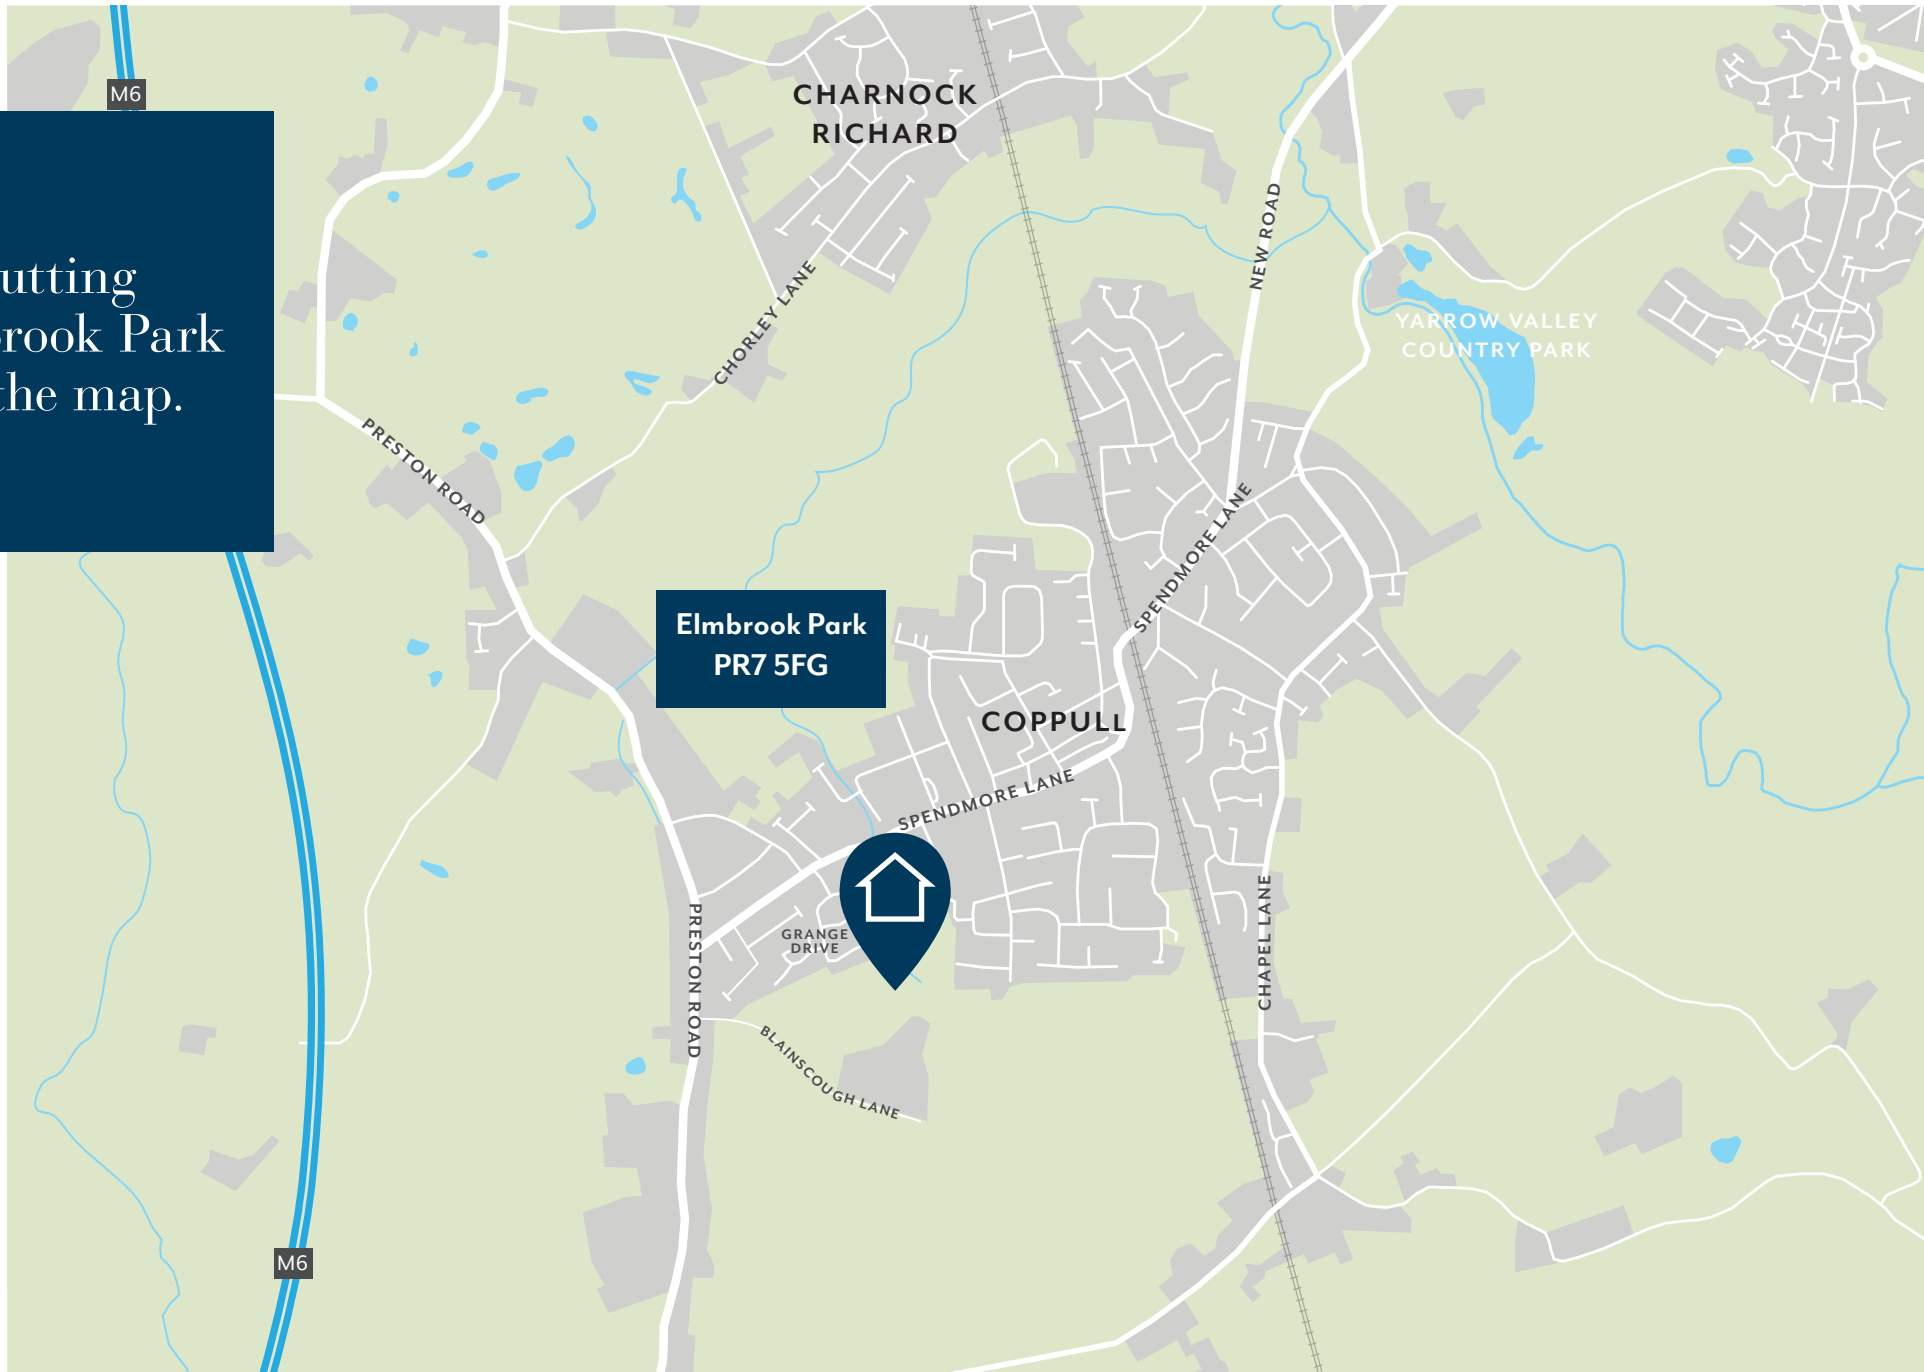

We pride ourselves on providing a friendly, easily accessible, knowledgeable and efficient service for our customers. And as well as care and support from our Sales team during your purchase, our local and dedicated team of advisors and technicians will also be here to take care of you after you have moved in.

Protection for new-build home buyers

Putting
Elmbrook Park
on the map.

What's around Elmbrook Park?

Nestled in the heart of Lancashire, this exclusive development in Coppull is surrounded by green open space with excellent commuter links, close to the M6 and M61 motorways.

Elmbrook Park is a short drive from Chorley, offering a variety of shops and amenities as well as a range of independent and well-known chain restaurants, cafés, bars, and pubs.

There is a wide choice of local primary and secondary schools for those with families, with St Oswald's Catholic Primary School just a short walk

Amenities
