# SHARED OWNERSHIP

The option you never knew existed

**Shared Ownership\*** enables you to buy an initial share of a property and pay a subsidised rent on the rest, meaning you can get into home ownership in manageable stages and don't take on more of a financial commitment than you can afford.

Initial shares of between 25% and 75%\*\* of our properties are available, you will pay a subsidised rent on the remaining share. In the future you can purchase further shares in your home, or sell your share and move on.

Wondering if Shared Ownership is right for you?

You can buy between a 25-75% share

Make mortgage payments on the share you own

Pay rent on the remaining shares

Buy more shares in your property from 1% increments

\*Properties are offered as leasehold, with a lease term of 999 years. \*\*Shares offered are based on the affordability determined by an Independent Mortgage Advisor.

“Domovo (the marketing and sales brand for bpha) were marvellous, I am so grateful for everything they have done for me, and I finally have a place to call my own. Being a shared owner means a lot to me, I am so happy, it’s wonderful what they’ve done for me.”

**Philip had been trying to get on the property ladder for seven years, feeling disheartened after several failed attempts. At 55, he was renting in Milton Keynes with his brother while his three children, aged 18, 14, and 10, stayed with him on weekends. Though happy with the rental property’s size, Philip longed to own his own home. Struggling to secure a mortgage due to his age, discovering Domovo’s shared ownership scheme reignited his hopes.**

Philip found a new build home in an ideal location, closer to his children and work as a warehouse operative. He shared, “I can walk to work, save on fuel, and get more exercise.” He secured a 25% share of the property and reserved his home.

Reflecting on the process, Philip said, “It took longer with the solicitors, but my sales advisor stayed in contact and was very supportive.” Now settled, he shared his favourite features: “I love the kitchen—it’s great for cooking and offers a lovely view of the outdoors.”
