

MARCHAM MEADOWS MARCHAM

WELCOME HOME

A stunning collection of modern 2, 3, 4 & 5 bedroom new build homes in the picturesque village of Marcham, situated just 2 miles away from Abingdon.

Our new build homes in Marcham benefit from being near Abingdon, with the historic market town just a stone's throw away.

Each of our new homes have been carefully designed to effortlessly blend in with their Marcham surroundings and offer all the desirable touches of modern luxury that you have come to expect from a Bloor home.

BUILDING QUALITY HOMES FOR OVER 50 YEARS

In 1969, John Bloor laid the foundation of our commitment to you: to construct quality homes where families thrive. That promise still holds true today and our customers' consistently positive feedback has earned us a 5 star rating from the Home Builders Federation, something we are very proud of.

We couldn't do it without our dedicated team of planners, designers, tradespeople and customer service staff, who believe in creating better life experiences one home at a time by building distinctive, sustainable communities in places you will love. It is something you will notice the moment you enter Marcham Meadows.

HOW DO WE COMPARE AGAINST
SOME OF THE UK'S TOP HOME BUILDERS?

SOMETIMES NEW IS BETTER. HERE'S WHY...

When you buy a new Bloor home, you are choosing a home that will last for generations. One that has been skilfully built using sustainable materials; and offers you; stylish design and excellent energy efficiency that helps to keep your bills down to minimise heating bills; and immaculate interiors, customised to your specification ready for you to style just the way you want.

You will benefit from customer service that is rated 'excellent' on Trustpilot, a 10-year NHBC warranty, and pre-move-in inspections to ensure everything meets with your expectations. Plus, reserve your home in the early stages of construction and you could have the chance to personalise your home with a choice of finishes and upgrade options.

SPOILT FOR CHOICE

Tailor your home and elevate your living experience before you move in with your preferred choice of optional upgrades.

HAPPY HOMEOWNERS

New beginnings start the moment we meet and continue long after you walk through the door of your new Bloor home. From the advice and support provided by our team on the quality of the build and feeling part of a welcoming community, our homeowners are happy homeowners!

Take a look at what some of our customers have to say:

“

The customer service from start to finish was great, even before we reserved a property. Having viewed lots of developers, Bloor was by far the best. I'd definitely recommend Bloor, I'm shouting to everyone about it!
