Your buying journey

Here's a step by step guide through the exciting buying process.

Taking the first steps

Find your dream home on one of our 60 developments located in 8 different regions across the UK.

Check your budget

At the start of your home buying journey, find out what you can afford by speaking to one of our recommended new build specialists or find your own chosen financial advisor.

Once you've spoken to a mortgage specialist, you will be able to get a decision in principle which states your affordability. You'll also need to choose a solicitor to represent you throughout the home buying process. We can recommend a solicitor or you can find your own.

Reservation time!

Now you can officially reserve your home at one of our Customer Appointment Centres. Your Sales Advisor will show you detailed drawings of your development, your plot, and much more. You'll need to provide your decision in principle, and your ID, and pay a small reservation fee.

Once reserved your solicitor will go through your draft contract and answer any questions. They'll also carry out searches and checks. Alongside this, your mortgage advisor will apply for your mortgage.

Making your home yours

The best bit has arrived – your options meeting! In this meeting you will choose your options and any upgrades you want. Let your imagination run wild and personalise your new Avant home to your liking.

Take inspiration from our beautifully curated show homes and browse our selection of tiles, cupboard doors and worktop samples.

Exchanging contracts

Once your contract is agreed you'll be asked to sign. This is called exchanging contracts in England and Conclude Missives in Scotland.

This stage is key, as it's when you become committed to buying your Avant home and can countdown to completion day!

Final checks

We follow stringent processes to ensure we build a quality home. Once your home is built complete it will be inspected and a CML will be issued which gives you your 10 year warranty.

Following a pre-completion inspection, it's the moment you've been waiting for... a sneak preview of your home at your Home Demonstration meeting!

Moving day

Finally! Once we're all ready to go, your solicitor will request your mortgage advance and any additional balances, ready to transfer to our solicitors on moving day.

When the funds arrive, the home will be officially yours. You can collect the keys and the deeds will be sent to your solicitor. Then, all that's left to do is move in!

Aftercare

After completion, your Customer Liaison Manager will be in touch to support you with your new home!

They'll be able to provide you with contact details for your Warranty Providers and answer any questions you may have.

Time to enjoy your new home

You'll then settle in, and love life in your beautiful new Avant home.

Why buy new?

If you're looking for a stunning new home you've come to the right place. Here's our top reasons why buying new is best...

Highly energy efficient

Buying a new build home has many benefits when it comes to saving energy – and money. They are built to the very latest energy efficiency standards with research by the Home Builders Federation (HBF) finding that owners of a new build home can save up to a staggering £2,200* a year on their energy bills.

No renovation costs

With a new Avant home there's no hidden history to contend with. You won't uncover that you need a full re-wire or that your boilers on the brink, because everything in your home is... you guessed it... new!

Peace of mind as standard with a 10 year warranty

With a new Avant home, you'll receive a two-year builder warranty, plus a further eight years warranty from the NHBC or Premier Guarantee. In the unlikely event that something goes wrong with your home, your warranty ensures you're protected.

A beautiful blank canvas

One of the most exciting things about buying new is that you're starting from scratch in an immaculate unlived-in interior. Plus, with no one ever having lived in your home before, you're the first to make memories in the space.

Perfectly personalisable

When buying new, you can choose from our extensive range of stunning options and upgrades allowing you to personalise all rooms of your home and garden.

Buying schemes to help you move

When you buy a new home, you unlock access to lots of helpful buying schemes. From Part Exchange to My Move Made Easy, plus our Key Worker and Military Discount schemes, we have plenty of ways to get you moving that you wouldn't benefit from when buying second-hand.

No upward chain

When you've got your heart set on a home, the last thing you want to contend with is chains and endless delays. When you buy new, there's no upward chain!

Protecting the planet

New homes produce less carbon as they need to use less energy to heat up. Around 84%* of new homes have an EPC rating of A-B, while only 4%* of existing properties achieved the same rating. Good insulation, double glazing and airtight windows all contribute to a reduction carbon emission by 6%*.

Avant Homes 2025
Version 1.1.1

The information contained herein is for general guidance only. Photographs portray a reasonable impression of the properties we build and sell, but some images and show homes may include upgrades or options that have since been discontinued or do not form part of a standard specification. Changes in circumstances or availability of materials may force us to make changes to finishes or elevations from those illustrated. Floor plans demonstrate the general layout of the property and room dimensions are duplicated from working drawings but these are not precise measurements to be relied upon as slight variances will occur on construction of individual properties. Site plans show the intended layout of the development, but we reserve the right to alter layouts subject to appropriate planning consents. Avant Homes cannot offer you financial or legal advice. Please speak to an independent IFA or Solicitor for financial and legal guidance when buying a new home
