With its inviting layout and thoughtful design, modern kitchen, private and secure garden, and off road parking this property is perfect for families or those looking for a spacious and functional living environment.

STEP INSIDE

Completing the downstairs layout is a convenient downstairs cloakroom, a thoughtful addition that adds to the functionality of this family home.

As you make your way upstairs, you will find three generously sized bedrooms. The accompanying modern bathroom has been well designed with contemporary finishes.

Agents Note: drawings for a 4m sq. + 2m sq. extension for the rear of the house, approved by building regs and planning was approved.

STEP OUTSIDE

To the rear of the property is a large and private garden, with a patio area and laid to lawn, featuring an allotment area towards the back of the garden. The garden backs onto playing fields.
