

Oak Grove

DUNTON, BEDFORDSHIRE

An exclusive development of 3, 4 and 5-bedroom homes

LaganHomes[®]

Welcome to **Oak Grove...**

**...a small and exclusive development of just
37 homes in the delightful village of Dunton.**

Set amidst the beautiful Bedfordshire countryside, yet only 3 miles from historic Biggleswade and with easy access to the A1(M), these beautiful new 3, 4 and 5-bedroom homes enjoy an idyllic location for modern living. Located in a peaceful oasis on the northern edge of the village just off Cambridge Road,

with many of the properties enjoying delightful views across open fields, the unrivalled setting makes these homes truly special. Built with the environment in mind, each new home at Oak Grove also incorporates a range of ecological enhancements, to offer the very best in sustainable living.

Dunton **village**

Local amenities in the village include the Pavilion Park and Hall with children's play area, the Village Memorial Hall and Dunton Garden, a community garden group that welcomes visitors and volunteers to work in the garden. The March Hare pub sits alongside the pretty Church of St Mary Magdalene, at the heart of the village, on the corner of Church Street. For young families, the Ofsted 'Outstanding' rated Dunton VC Lower School is just a 5 minute walk away, along the High Street.

Thriving Biggleswade

Just a 5 minute drive west takes you to nearby Biggleswade, with its fantastic road and rail links and wide range of facilities for modern living. Set alongside the A1 'Great North' road connecting London and Edinburgh, Biggleswade has thrived throughout the centuries. Believed to date back to the Anglo-Saxon era, the town has a rich history steeped in commerce and innovation. From its market charter in the 12th century, which still sees a lively market in the town square twice a week, to the pioneering spirit of inventor Daniel Albone, who established the Ivel Cycle Factory in the late 1800s, this town has been a centre of progress for centuries. Today, it continues to be a thriving location, with numerous businesses and amenities.

Superb shopping

From a diverse selection of independent shops and boutiques in the town centre, to the popular A1 Retail Park hosting many well-known high street brands, you won't need to travel far for your shopping needs. The town also benefits from a Sainsbury's and Asda superstores and a regular market every Tuesday and Saturday.

Great schools

The three-tier schooling system provides a choice of great schools in this family friendly location. In addition to the village's own Lower School, there is also the Ofsted 'Good' rated St Andrew's Lower School in Biggleswade. For pupils aged 9-13 there is the Edward Peake Middle School, whilst older pupils can attend Stratton Upper School and Community College or The Biggleswade Academy, also Ofsted 'Good' rated.

Dining out

Options for eating out abound in and around Biggleswade, ranging from friendly pubs including The White Hart, The Crown Hotel and The Golden Pheasant, to restaurants including O'Sarracino Italian, Gokce Turkish and Biggles Lounge Indian. There is also a Pizza Express in the town, along with a selection of independent cafes. Heading out into the surrounding villages, there is an excellent choice of gastro pubs just a short drive or a cycle ride away, including The Black Horse at Ireland, The White Horse at Southill, The Hare & Hounds at Old Warden and The Crown at Northill.

Active living

The Saxon Pool & Leisure Centre in Biggleswade town centre offers a fully equipped gym and a range of fitness classes for all levels, whilst the swimming pool is perfect for families, with regular aqua fun sessions for children.

The Biggleswade Green Wheel, a walking and cycling route around the town, offers a great way to exercise whilst also exploring the surroundings, with its many areas of heritage and wildlife interest. Biggleswade Common, the largest area of common land in the county, offers over 300 acres of grazing meadows with links to the RSPB's nearby nature reserve in Sandy. There is also The Franklin Recreation Ground in Mill Lane. This delightful riverside park includes a children's play area for outdoor family fun.

For golf enthusiasts, the renowned John O'Gaunt Golf Club at nearby Sutton Park provides two stunning 18-hole courses and a welcoming clubhouse to enjoy. A little further afield there are several other well-regarded clubs including Henlow Golf Club at Henlow Camp and Cainhoe Wood on the way to Bedford.

Beautiful surroundings

Surrounded by the picturesque Bedfordshire countryside, there are endless opportunities for exploration and relaxation in this delightful rural setting. Discover the historic Jordan's Mill, a Victorian flour mill turned food heritage attraction with beautiful gardens and the popular Riverside cafe. This family run enterprise is the home of Jordan's Cereals and dates back over 150 years.

Nearby, Old Warden, with its quaint thatched cottages and traditional tea shops, boasts the renowned Shuttleworth Collection. Showcasing vintage aircraft, agricultural vehicles and more, this popular venue also hosts many events, including the thrilling summer evening air show. Alongside Shuttleworth House and Aerodrome, the Swiss Garden is also a popular visitor attraction here, with its ornate gardens complete with resident peacocks.

Further afield

The wider area is peppered with quaint villages, including Guilden Morden and Steeple Morden to the east and Northill, Southill and Ireland to the west. Each village offers its own unique character, with friendly pubs providing a welcome rest break after a long country walk or cycle ride.

Easy connectivity

With excellent road links, including fantastic access to the A1, travelling by road to the major cities of London and Cambridge is easy. Milton Keynes, Bedford, and Stevenage are also all within easy reach by car. For commuters, Biggleswade railway station provides a fast and frequent service into London Kings Cross St Pancras in as little as 44 minutes or direct to Peterborough in just 34 minutes. For international travel, Luton Airport is just a 24 mile drive away whilst Stansted Airport is also easily accessible, just 34 miles drive.

Sustainable Environment

As an established residential developer, sustainability is the greatest challenge facing our industry today and at Lagan Homes we recognise that everything we do has an impact on both people and the environment.

We take pride in fulfilling our duty to operate as a responsible business and aim to continuously reduce our environmental impact, which is reflected in the way we design and build our homes leading to a reduction in our carbon footprint every year.

Increasingly, we employ green construction methods by reducing, recycling and re-using waste, to optimise resources and minimise disruption. Our building materials are responsibly sourced and we aim to ensure that our homes and communities are built in a way that is respectful of the plants and wildlife in the surrounding area.

Our new homes are designed with energy efficiency as a key consideration, using the latest technologies, methods and materials to help cut down carbon emissions. Such as;

-  **Air source heat pumps**
-  **Good levels of insulation**
-  **Quality construction on-site**
-  **High-efficiency heating systems**
-  **Energy efficient appliances**
-  **Low energy lighting**
-  **Save £1,980 on energy bills***

In turn these measures help to improve the quality of life for our customers by significantly reducing the cost it takes to run a new home in one of our newly created communities.

Every effort is made to combine the character of our exteriors with that of their locations. When buying a new-build home with Lagan Homes you can be certain that alongside the thoughtful design and high-quality specification, your home has been created to maximise energy efficiency. 100% of all our homes built in 2023 were rated EPC B or above, and by buying a new build home this will help reduce carbon emissions by more than 2.2 tonnes a year. On average this could mean as a new home owner you could save £1,980 on energy bills a year compared to an older house, keeping you warm in winter and saving you money for the more enjoyable things in life.

*Energy figures quoted are based on a yearly average taken from the Home Builders Federation Energy Report "Watt a Save - Energy efficient new homes" updated November 2024.

Homebuyer Reviews

At Lagan Homes we take great care to create homes you'll love living in and we work hard to make sure your buying experience is as smooth and stress free as possible. We are proud to offer the highest level of customer service, every step of the way. Our purchaser reviews reflect this - real people, real experiences.

“
I'm really impressed with Lagan Homes, in terms of the style of the house, the layout, the design, but also the quality of the build. I've bought from six other new builders...but Lagan Homes have been by far the best. ”

Cotton Meadows Resident

“
As soon as we walked into this house, we just felt home. The house is very well laid out with everything in the right place. Its that blank canvas concept that you're buying your own dream, not someone else's. Would we recommend Lagan Homes? Yes, unquestionably. ”

Niort Grove Resident

//

We always knew we wanted to buy a new-build property, but the size and quality of Lagan Homes was so much better than the other local developments we had seen. The kitchen is bright and airy, a real pleasure to cook in. The bathrooms are spacious, with quality fittings and tiling. //

St James View Resident

//

We love the fact that everything in our home is brand new and perfectly designed for modern living. The kitchen offers plenty of workspace and upstairs, the built-in wardrobes are just what we want. Everything works. //

Optional Extras

We recognise that each of our purchasers may have unique requirements, so in addition to our generous standard specification, we offer a range of optional extras to enhance your new home.

Tailor your home to your unique requirements with our range of options and extras available subject to the build stage. These can then be included during the construction process to ensure that your home is just the way you want it on the day you move in. Optional extras will depend upon the stage of build but can include:

- Kitchen unit, worktop and lighting upgrades
- Bathroom upgrades and extra tiling
- Fitted carpets, floor tiling and Karndean flooring
- Extra electrical, lighting and BT points
- Hard landscaping
