Property Description:

This stunning two-bedroom ground-floor apartment is located in the Sport Wing of a prestigious development set in the serene natural beauty of South Buckinghamshire. Built to an exceptional standard, it boasts floor-to-ceiling windows and doors that open onto a private patio, flooding the space with natural light.

Apartment 53 is accessed directly from the private garden and offers a thoughtfully designed layout. The modern Italian kitchen features sleek quartz countertops, a generous amount of storage, and integrated appliances. The open-plan living area provides views of a charming protected apple orchard through a full-height window.

From the hallway, you'll find two spacious bedrooms with large windows overlooking beautifully landscaped gardens. The main bathroom is finished with a walk-in shower and separate bath, and there is a utility cupboard for added convenience.

Built on the site of former squash courts — hence the "Sport Wing" name — this apartment enjoys a peaceful location within the development, blending history with modern living.

The Development:

An exceptional and truly unique conversion of a Grade II listed building, originally a grand country home dating back to 1859. The property features Palladian-inspired extensions crafted by the celebrated architect Edward Cullinan, blending timeless elegance with contemporary luxury. Now reimagined into a collection of exquisite apartments and maisonettes, this stunning development by the Italian firm Area Equity —renowned for their residential and tourism projects across the UK and Europe—offers an unparalleled living experience.

Situated within a secure, gated complex equipped with CCTV and allocated parking, the development combines peace of mind with high-end living. Walking through the development, you are enveloped in a sense of refined luxury and effortless relaxation, as though you have stepped into a boutique holiday retreat. Truly a must-see to appreciate all it has to offer!

What we love:

At Bucks Property, we have been selling this development since the first phase was launched some years ago. We also manage the site - meaning that we know just about everything there is to know about the history, the site itself and how the site has been constructed! We love the peaceful nature of the site, the quality of the finish in each apartment and the views across Hughenden Valley from the entrance area.
