## About the Property

If you're looking for a modern four-bedroom family home that combines space, style and beautiful countryside views, Deers Chase is not to be missed. This impressive detached property offers over 1,750 sq ft of well-presented accommodation, together with a self-contained one-bedroom annexe of approximately 450 sq ft. With open fields directly behind, the home enjoys a superb rural setting and far-reaching views

Step inside and you're immediately struck by the home's contemporary finish and wonderful sense of light and space. The inviting entrance hall leads into the heart of the house: a spectacular open plan kitchen, dining and living area measuring over 36ft. The kitchen is a real focal point with garden views, integrated appliances, a five-function Quooker tap, quartz worktops with a waterfall breakfast bar, a downdraft four ring hob, and two Neff Slide & Hide ovens.

The dining and living areas flow seamlessly to create a bright, sociable space, perfect for family life and entertaining. A versatile rear study is currently used as a home office but would suit a snug or second sitting room, enjoying views over the enclosed garden and fields beyond. The ground floor is completed by a utility room and contemporary shower room.

Upstairs, an oak staircase leads to four double bedrooms off the landing. The main bedroom sits to the rear to make the most of the rural outlook, with built-in wardrobes and a stylish en-suite. A modern family bathroom and separate laundry room add further practicality. The property also includes a self-contained one bedroom annexe (still requiring completion), offering excellent potential for multi-generational living, guests, or a home business.

Built in 2022, Deers Chase is a Dan-Wood factory built, energy efficient home, benefitting from air source heating, triple-glazed windows, a treatment plant and much more.

## The Outside

The property sits on an approximate 1/5 acre plot. To the front, a generous driveway provides off-road parking for multiple vehicles, complemented by a neatly landscaped garden with lawn and well-stocked shrub borders. An electric car charging point is also positioned to the front for added convenience.

The annexe is situated at the front of the property and, while it requires finishing, it benefits from its own parking space and a private courtyard garden. Side access runs to both sides of the home, with a small shed offering useful additional storage.

A porcelain patio wraps around the property and leads to an extensive rear garden, with a further porcelain seating area at the far end—perfectly placed to take in the open field views beyond.
