- Low maintenance rear garden with the potential to create parking
- Full of character including fireplaces, ceiling roses, picture rails & decorative coving
- Five generous sized bedrooms
- Lounge & snug
- Family bathroom and separate shower room
- On street parking
- 223 sqm of space.

Located on Milehouse Road, Plymouth, this charming early 1900s five-bedroom terrace home blends period features with modern upgrades. It offers 223 sqm of space, including a spacious lounge with character details, a cosy snug with a wood burner, and a stylishly updated kitchen/diner. The home also has a renovated shower room, utility room, and a new boiler.

Upstairs, five generous bedrooms, four with feature fireplaces, and an upgraded family bathroom provide ample space.

The southerly facing, low-maintenance garden offers potential for landscaping or parking and has a storage shed for outdoor equipment. On street parking is freely available.

This home has undergone significant improvements. It is a fantastic home with a perfect mix of charm and modern comfort in a prime Plymouth location.
