2 Bedroom House located in Ilford

Your local award winning agents, Green Lane Residential are delighted to present, as sole agents, this chain free Victorian end-of-terrace property located on the ever-popular St Mary's Road, Ilford.

This charming period home offers immense potential for those seeking a project, as it now requires a programme of refurbishment throughout. The property's generous proportions and traditional layout provide an excellent canvas to create a stylish and comfortable family home.

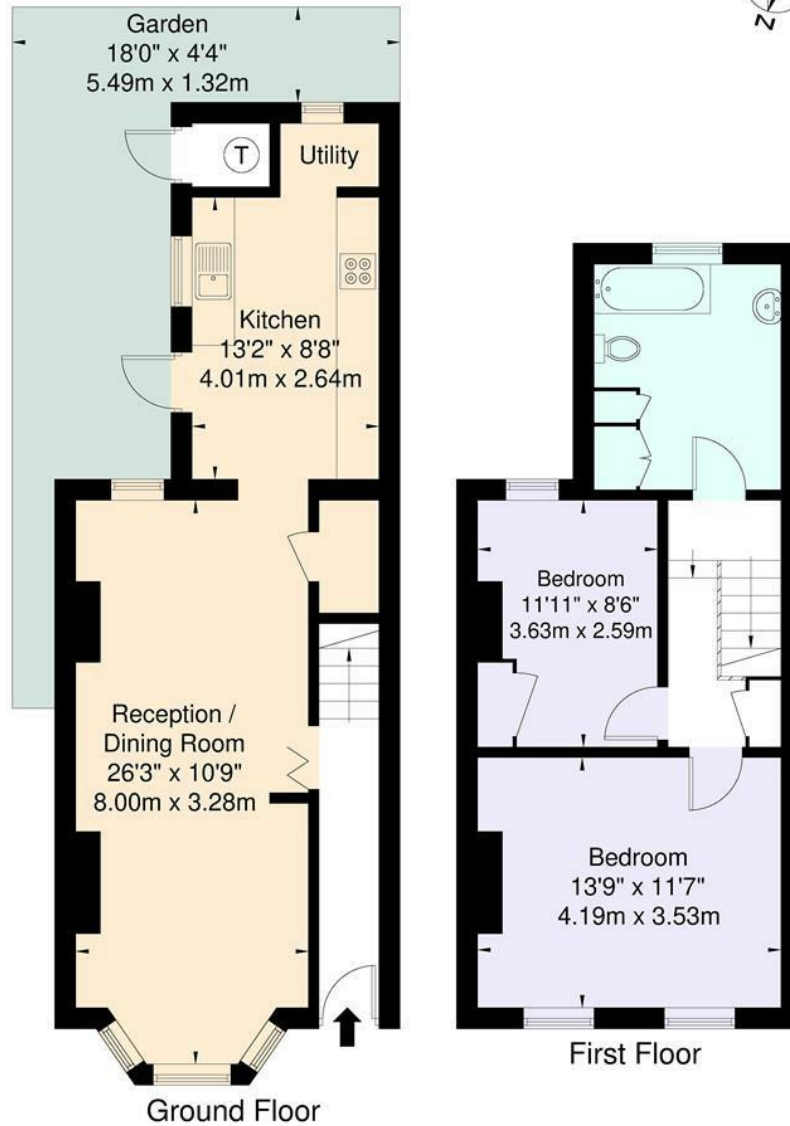

Currently arranged with a first floor bathroom and two bedrooms, the layout affords scope to relocate the bathroom upstairs while retaining three well-proportioned bedrooms - a rare and valuable opportunity to enhance both comfort and functionality. The bright bay-fronted reception room, high ceilings, and original Victorian character features all contribute to the home's timeless appeal.

Externally, the property benefits from an end-of-terrace position, providing additional natural light and potential for extension (subject to planning consent). The rear garden offers a good-sized outdoor space ideal for future landscaping or entertaining.
