The Property

Don't be fooled by the modest exterior, the interior of this family home, ideally located close to Newtown centre, packs a seriously stylish punch!

Built at the turn of the last century, the accommodation, spanning over 3 floors, is renovated to a high standard and deceptively spacious. The ground floor is made up of the living room, entered into by a newly installed front door, the dining room and generous kitchen. On the first floor a landing gives way to the master bedroom, second bedroom and family bathroom with bath, shower, WC and wash basin. The third floor has been converted and is currently used as a bedroom but would also make an ideal home office. The kitchen also accesses the cellar area of the property which is prime for renovation (the current owners have made preliminary enquiries into this which they would be happy to discuss)

The property is brimming with desirable features throughout including original wooden floorboards, bay window in the living room, feature exposed brick wall and log burner in the dining room, white marble effect worktops and floor tiles in the kitchen, extensive fitted wardrobes in the master bedroom, freestanding roll-top bath and spacious corner shower and UVPC double glazing throughout.

The enclosed rear garden has been lovingly upgraded by the current owners and includes a patio, lawn area, herbaceous borders and newly installed decking which, with its views up to the surrounding countryside, is the perfect spot for a morning cuppa or evening G&T. The side gates of the garden give access to New Road at the front and Ffordd Croesawdy at the rear, giving multiple options for parking.
