MAGIC ENVIRONMENT

The coastline of Pilar de la Horadada extends for more than 4 km, with extensive fine white-sand beaches in contrast with small rocky cliffs that hide intimate coves of golden sand. Very different environments, all connected by the beautiful Mediterranean Sea.

These beaches are safe since there are no sharp descents or unevenness and they allow calm bathing for the little ones.

RESIDENTIAL COMPLEX

Pura Vida

New construction, exclusive apartments and Villas conveniently located in the heart of Pilar de la Horadada, just a short walk away from the main street, close to shops, bars & restaurants.

The exquisite avant-garde design of this project makes it stand-out in this privileged location.

Design and functionality are in line with the latest construction regulations with special focus on using top quality materials and energy efficiency.
