ArchwayHomes

INTRODUCING

# Stirrup Mews

## WOODCHURCH

Stirrup Mews is a small private development of just thirteen homes off Arrowe Park Road, featuring a welcoming landscaped entrance and attractive aesthetics, blending a traditional style with a contemporary feel.

This development consists of four 2 bedroom mews-style and nine 4 bedroom detached homes. As with all Archway homes they have been designed to meet the needs of modern life, providing practical and flexible accommodation.

All homes will be A-rated for energy efficiency with solar panels, EV charging\*, and high levels of insulation combined with Archway's renowned high levels of build quality and specification.

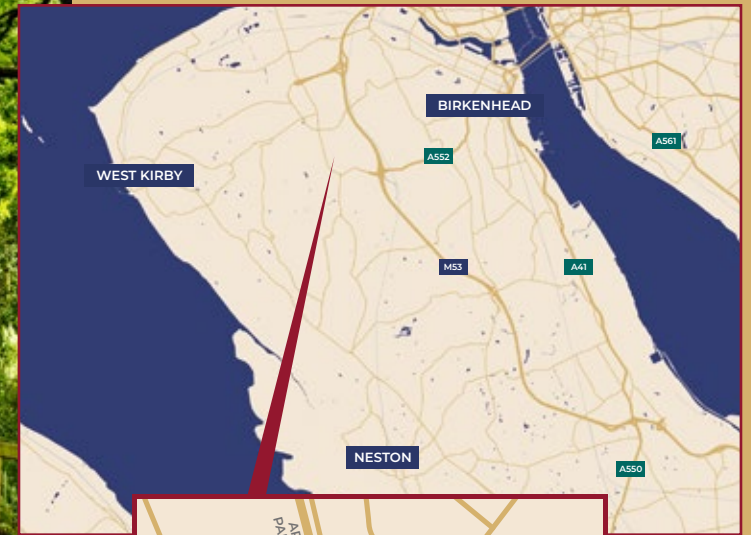

A 10 year NHBC warranty is provided as standard in addition to being looked after by the Archway customer care team for the first two years of occupation.

\* The Hazel, The Elderberry, and The Spruce only.

Computer generated images are for illustrative purposes only. Elevations, landscaping and boundary treatments may differ from shown.

WELCOME TO

## Woodchurch

Woodchurch is located on the Wirral peninsular and is easily accessed from the M53 motorway. The development sits within a mile of Upton Village, where you will find a multitude of independent shops and eateries. A short drive along Arrowe Park Road takes you to a retail complex with well known shops.

Stirrup Mews, CH49 5PB, is located off Arrowe Park Road, which is just a five minute drive from junction 3 of the M53, allowing convenient transport links to Liverpool and Cheshire, and easy connections to the wider North-West motorway network. A bus stop is located adjacent to the entrance of the development, with a regular local service across the Wirral and beyond.

Living at Stirrup Mews will allow you to make the most of the many opportunities right on the doorstep, from the beaches and coastal walks / cycle paths, to lively nights in Liverpool city centre, only 35 minutes away by train. Golfers will love living here with seven golf clubs across the Wirral to choose from. Upton Village also offers a tennis club and cricket club. Ample local schools for children of all ages means that choosing to live at Stirrup Mews really does tick all the boxes.

## Our Specification

At Archway Homes, we believe your home should be ready to move into from day one, which is why all our homes include flooring throughout, integrated kitchen appliances, a digital TV aerial and SkyQ dish, and landscaped gardens. At Stirrup Mews, our specification offers a host of quality and desirable features including oak veneer internal doors, high-quality sanitary ware, and chrome sockets and switches. In line with the Archway Homes Green Agenda, all properties have solar panels and energy efficient lighting throughout.

All Homes on Stirrup Mews are Freehold.

### The Ash

2 double bedroom mews-style home with a spacious living area opening on to the rear garden.

10 11 12 13

All Archway homes are created in-house by a team with decades of experience. The layout of each housetype is designed with the home occupiers in mind. This is why you will find an Archway home a practical place to live, with the small details catered for.

Ample storage and plenty of sockets may seem like minor benefits, but they make a big difference once you move in. Generously sized rooms and large windows provide plenty of daylight, while fully enclosed and turfed gardens allow you to live with a fully finished garden until you decide what landscaping changes you would like to add at a later date.

We believe that our house should become your home from the minute you set foot inside; that is the Archway difference.

# Our Green Agenda

## A-RATED ENERGY EFFICIENCY

All homes on our developments include:

- Solar Panels - converting the free energy of the sun into electricity for you to use around your home therefore reducing your electricity bills.
- A-rated Energy Performance Certificates - the higher the rating, the lower the energy bills for you. All our houses will be A-rated to keep your costs down.

## WORKING FOR WILDLIFE

- Bat and bird boxes installed.
- All gardens have hedgehog holes in the fencing and we use stock proof fencing, where appropriate, to encourage hedgehogs and other wildlife.
- The plants and trees in your gardens and open spaces have been specifically selected to promote biodiversity and encourage bees.

## REDUCING YOUR CARBON FOOTPRINT

We all like it when things run smoothly... and cost less:

- Electric Vehicle Charging Points \* – either now or in the future running an electric vehicle will not only save you money but reduce carbon emissions.
- Your central heating system has dual zone controls and timing features so you can ensure it suits your lifestyle and doesn't waste energy.
- 100% of the bulbs in your home are energy efficient and we use LED spotlights in kitchens and bathrooms, which last longer and use less energy.
- Hi-therm lintels are used over the windows and external doors, and we install 150mm cavity wall insulation and extra loft insulation to minimise heat escaping.

\* The Hazel, The Elderberry, and The Spruce only

# Customer Journey

Buying an Archway home is unlike dealing with a large corporate company, when you buy from us you are buying from a small, dedicated team of individuals who have been brought together to build you the new home of your dreams and that journey starts the minute you first contact us.

## VIEWINGS AND RESERVATION

All of our viewings are by appointment, this ensures we have enough time to understand your needs and help you make the right choice. Our sales advisor will explain everything about the homes including any financial liabilities and potential running costs. Not all our sites have show homes, but we have photography and video tours of previously built homes, and can point you in the direction of previous developments, so you can get a feel for what an Archway home might look like. We understand that buying off-plan is sometimes a leap of faith, so we will take the time with you to make sure we answer all of your questions before you make the decision to buy.

At the point of reservation, we will go through a very detailed process of full disclosure of all the important information about the plot, the site, the specification of your preferred home, and what extras are available to purchase. We believe that transparency is key to ensuring you make the right decision.

## COMMUNICATION

Archway Homes have signed up with Spaciable, which is a 'pre-sales to aftercare' portal, allowing us to communicate with you via the portal as we progress together along the journey. Spaciable allows us to send you regular updates and photos of your build and also upload documents and certificates as they become available. We will also keep you regularly informed of likely moving dates, so you can start to pack and get ready for moving day.

## DEMONSTRATION

Once the property has been signed off by the NHBC and Building Control is complete, we will invite you to a home demonstration where our sales advisor will take you through the home room by room and explain how everything works. This is an ideal time to ask those important technical questions and get a feel for your new home.

## EXCHANGE OF CONTRACTS AND HANDOVER

Six weeks after reservation, we hope that we will have exchanged contracts. This means that the house is legally secured and you are fully committed to buy as we are equally committed to sell. Your solicitor will advise of your legal liabilities at this stage, but this is the real milestone in buying any home.

We have arrived at the big day! Once our solicitor confirms that all the monies are paid, we will arrange to meet you and hand over the keys, we will do final meter readings, and provide various certificates. The good news is most of the certificates will be uploaded onto the Spaciable portal for you to access at any time.

## CUSTOMER CARE

We understand that moving day will be a busy day followed by days of unpacking and arranging your new home, so we will leave you in peace. At the end of the second week of occupation, we will ask for your initial 14 day snagging list for you to identify any issues you have come across. Our dedicated customer care team will look after any identified snags or defects for the first two years following completion, with most communication being done via the Spaciable Portal, which allows us to make appointments for the aftercare operatives or subcontractors to visit. After the first two years, you can be reassured that your home is insured against structural defects by the NHBC for a further eight years.

# FAQs

## DO WE NEED AN APPOINTMENT TO VISIT THE DEVELOPMENT OR SHOW HOME?

Yes you do. Our sales centres are unmanned, so we request that you make an appointment via our office on 0800 612 3404.

## ARE YOUR HOMES FREEHOLD OR LEASEHOLD?

All Archway homes are freehold.

## IS THERE A MANAGEMENT CHARGE?

On Stirrup Mews, there is no management charge. Homeowners will have joint responsibility to maintain shared areas e.g. private road and visitor parking bays.

## I HAVE A HOUSE TO SELL, WHEN CAN I BUY A NEW ONE?

You can reserve an Archway home when you are either, not dependant on the sale of your home to finance your new one, or if your existing home has a sale progressing on it.

## HOW MUCH IS THE RESERVATION FEE?

The reservation fee is £1,000, this reserves the property for you for the duration of the reservation period.

## IS THE RESERVATION FEE REFUNDABLE?

Once we have taken your reservation, you have a 14-day cooling off period, in which your reservation fee is fully refundable. After the 14 days you will be entitled to a partial refund as per the terms of the reservation agreement.

## HOW LONG IS THE RESERVATION PERIOD?

Our standard reservation period is 6 weeks which is why we need to make sure that you are in a position to proceed before you reserve.

## WILL I NEED TO MOVE INTO RENTED ACCOMMODATION?

Depending on your personal circumstances and the timing of when you reserve your new home, you may need to find alternative accommodation in between the sale of your existing home and the completion of your new home.

## CAN I PERSONALISE MY HOME?

Whilst we do not offer a bespoke service, purchasers have the option to choose their kitchen, flooring, wall tiling and master bedroom wardrobes depending on the stage of build. There are also a small number of customer upgrades available, consult with the sales advisor for further information.

## HOW LONG WILL IT TAKE TO BUILD MY HOME?

The time it takes to build a home will vary slightly dependant on size and any adverse weather or issues, however an average build time would be approximately 6 months.

## CAN I VISIT MY HOME DURING CONSTRUCTION?

Whilst we understand that you will be excited with your new home purchase and keen to see inside, due to health and safety considerations we cannot allow visits until we invite you to a home demonstration before you move in. We will however send you regular updates and photos during construction.

## DOES MY HOME COME WITH A WARRANTY?

Yes. All Archway homes come with a ten year NHBC warranty, which includes two years customer care provided by Archway Homes.

## WHAT IS NOT COVERED BY THE NHBC WARRANTY?

General home maintenance such as changing lightbulbs, painting and decorating, and shrinkage relating to the natural drying out process. Damage caused by the homeowner. Damage caused by severe weather.

## ARE ARCHWAY HOMES REGISTERED WITH THE NHQB?

Yes. The New Homes Quality Code replaces the consumer code. This gives you as a purchaser additional piece of mind and protection. The code helps homebuyers understand the level of service and information you should receive from us, and gives you a point of redress in the event that something goes wrong. More information can be found at [nhqb.org.uk](http://nhqb.org.uk)

## ABOUT

# Archway Homes

Based near Chester and established in 2010, Archway Homes is a family run business founded on a passion for building high quality homes. The Archway team are a hand-picked group of professionals brought together to continue the established philosophy of building beautiful houses in desirable locations. The team focus on all elements of design and construction and take enormous pride in providing homes that delight modern day home buyers but retain traditional features which will stand the test of time.

We believe there are certain keys to success: -

- Our development locations, whether rural or urban, are chosen with great care using the criteria 'Would we like to live here?'.
- We only build smaller niche developments so creating exclusive environments where our customers can enjoy a sense of community.
- Our design team is constantly working to improve and enhance the layouts of our homes, incorporating an increasing number of features that make them energy efficient, in line with our A-rating promise.
- Our specification is regularly adjusted so that we offer a high-quality product with many 'extras' included as standard. Our goal is that our customers have a home ready to move into and enjoy from day one.
- Our ethos is quality, not quantity, so we ensure our site staff and subcontractors have the time to focus, throughout the build programme, on the standard of each individual home.
- This also enables our sales advisor the time for a more individual relationship with our customers, to enhance their customer journey.

Attention to detail, high specification and quality are intrinsic in all that we do and by concentrating on these the Archway brand has become well respected and sought after.
