

ALDERLEY HOMES

The Meadows, Langho

Introducing The Meadows

Alderley Homes is a dynamic homebuilder with a reputation for excellence and innovation.

Our name, Alderley, reflects our roots in craftsmanship and quality. Just as the Alder tree is known for its strength and resilience, we build homes that stand the test of time, offering modern design, sustainability, and superior living spaces.

With a commitment to creating thoughtfully designed homes that blend seamlessly with their surroundings, we focus on building not just houses, but vibrant communities. At Alderley Homes, every detail is carefully considered – ensuring your home is built for the future.

Nestled in the picturesque village of Langho, The Meadows offers a collection of eight beautifully designed 4-bedroom detached homes, each crafted to the highest standards. Surrounded by lush countryside and a thriving community, this exclusive development seamlessly combines modern living with a connection to nature.

At Alderley Homes, we believe in creating spaces where families can grow, thrive, and enjoy life. The Meadows has been thoughtfully planned with a focus on sustainability, community, and timeless design, offering you a place to call home for years to come.

Discover Langho

Langho is a small village located in the Ribble Valley district of Lancashire, England. The village is situated on the A666 road, which connects Blackburn and Bolton. Langho is a picturesque village with a population of around 2,000 people. The village has a rich history, and there are several historic buildings and landmarks in the area.

One of the most notable

landmarks in Langho is St. Leonard's Church. The church dates back to the 12th century and is a Grade II listed building. The church is known for its beautiful stained-glass windows and impressive architecture. Langho is surrounded by beautiful countryside, and there are several walking and cycling routes in the area. The village is located close to the Forest of Bowland,

which is an Area of Outstanding Natural Beauty. The forest is home to a variety of wildlife, including red deer, birds of prey, and rare butterflies. Langho is also located close to the River Ribble, which is a popular spot for fishing and boating. Overall, Langho is a charming village with a rich history and plenty of natural beauty to explore.

Welcome to Langho

Explore the local area

AH

A Thriving Community

Langho provides a sense of community that's hard to find elsewhere. With a range of local amenities, including shops, cozy pubs, cafes, and excellent schools, everything you need is right on your doorstep. The village has a friendly atmosphere and hosts regular events, bringing residents together and creating a vibrant, connected environment.

Unparalleled Natural Beauty

For nature lovers, Langho is a dream come true. Located within the Ribble Valley Area of Outstanding Natural Beauty, the village is surrounded by scenic walking trails, cycling routes, and open green spaces. From the breathtaking views of Pendle Hill to tranquil riverside strolls, outdoor adventures await at every turn.

Convenient Connectivity

Despite its tranquil setting, Langho is well-connected to nearby towns and cities. The village benefits from excellent transport links, with Langho railway station providing easy access to Blackburn, Manchester, and beyond. Major road networks such as the M65 and A59 are also within close reach, making commuting or exploring the wider area effortless.

A Place to Call Home

With its unique blend of countryside beauty, community spirit, and modern amenities, Langho is the perfect location for those seeking a high quality of life. Whether you're looking for a peaceful retreat or a family-friendly community, Langho offers something for everyone.

Why us?

Have peace of mind

AH

New build homes are more energy efficient and could save you hundreds.

New build homebuyers could **save £780 a year** in energy bills as heating, lighting and hot water costs are 50% cheaper in new build properties compared to older properties.

Around 86% of new build homes have an Energy Performance Certificate rating (EPC) of A or B compared to less than 5% of older properties.

On average, new build homes also emit 65% less carbon than older homes.
