Tucked away in the breathtaking landscape of the Isle of Skye, Corner Hoose is a truly special home, offering a rare chance to live surrounded by sweeping greenery and mesmerising views over the sound of Raasay to Dun Cann, an extinct volcano. To the left of the view sits Ben Tianavaig where White Tailed and Golden Eagles can be seen on an almost daily basis. Dolphins and Porpoises are regular visitors to Tianavaig Bay along with the occasional Humpback and Minke Whales putting in an appearance. This beautifully appointed detached property sits on a generous plot, with a large wrap-around garden that feels as though it melts into the wild beauty of the island beyond.

Step inside, and you are immediately welcomed into an expansive, light-filled open-plan living space where the lounge, kitchen, and dining areas flow effortlessly together. Designed for both family life and entertaining, the space is anchored by a striking wood burner, providing a cosy centre piece on cooler evenings. The abundance of large windows invites natural light to pour in from every angle, blurring the line between inside and out and allowing the magnificent surroundings to become part of the home.

---

Practicality is equally considered, with a spacious, separate utility room tucked away to keep the noise and mess of daily life discreetly out of sight. A sleek ground-floor shower room adds further convenience, perfect for busy households and visiting guests.

Climbing the stairs to the first floor, you will find two beautifully proportioned double bedrooms, each offering built-in storage and breathtaking elevated views across the water and surrounding rugged countryside.

Waking up to such a panorama each morning would be nothing short of magical. Completing the upper level is a stylish and contemporary family bathroom, offering both comfort and functionality.

The outdoor space at Corner Hoose is just as impressive. Sitting in the large secure garden, planted with hedging and native trees is a detached garage (complete with an electric vehicle charging point) providing secure parking and storage or alternatively could be repurposed as a studio or extra accommodation space. A large log store sits alongside with an additional log store sitting to the north side of the house. A

Keder polytunnel and fenced area with raised beds makes it ideal for gardening enthusiasts.

Corner Hoose is a home where modern comfort meets the timeless beauty of Skye, offering a unique lifestyle opportunity in one of Scotland's most enchanting locations. Viewing is highly recommended to fully appreciate everything this extraordinary property has to offer.
