Set on just under a 1-acre plot (STMS), Harecroft offers a unique blend of old period cottage features and contemporary barn-style in one beautiful property, nestled in the charming village of Lutton, surrounded by wide field views with amazing sunsets. The cottage and barn style living areas are linked by an entrance hall allowing a family to occupy the whole property as a four-bedroom home or use the smaller cottage as a rental (AirBnB) property.

The paddock area to the rear of the property can be used for grazing chickens, stabling horses or as a large garden to enjoy the fresh air and wonderful countryside views, making it an ideal choice for equestrian enthusiasts or those with a love for outdoor pursuits.

In addition to the main house, the property includes a delightful two-bedroom lodge, which can serve as a private retreat for family members. This added space enhances the property's appeal, providing flexibility for various (multi-generational) living arrangements.

Another standout feature of this property is an impressive outbuilding, providing the perfect spot to create a "work from home" office or hobby room. The expansive grounds also offer a huge frontage providing off-road, gated parking, for several vehicles, caravans, motorhome, or horsebox, ensuring that all your transport needs are met.

With its picturesque setting, Harecroft is not just a residence but a lifestyle choice. Whether you are looking to embrace country living or simply desire a spacious family home with unique features, this property is sure to impress.

Do not miss the opportunity to view this stunning and rare find, which is offered with vacant possession and no forward chain.
