Beautifully positioned within the highly regarded Glenfield development, this tastefully appointed town house offers spacious and versatile living across three floors, complete with private garden, two parking spaces and a double garage.

Thoughtfully designed to suit modern family living, the property combines generous proportions with well-balanced accommodation that can easily adapt to changing needs, whether for entertaining, working from home or accommodating guests.

Upon entry, is a welcoming entrance hall with useful storage. To the rear, a versatile family room or fourth bedroom opens via French doors onto the private garden, creating a wonderful secondary living or bedroom space. This level also features a modern shower room with underfloor heating and a practical utility room with fitted units and space for laundry appliances.

To the first floor, a generous open-plan living and dining space spans the depth of the property. Flooded with natural light, it features a balcony to the front, ideal for sunny mornings, and connects seamlessly to a dedicated study, perfect for those working from home. The separate kitchen is fitted with cream cabinetry, granite worktops and integrated appliances, providing both style and functionality.

The second floor hosts three well-proportioned bedrooms, including a spacious principal bedroom with fitted wardrobes. The family bathroom is finished with a modern white suite, bath with shower over, and heated towel rail. A pull-down loft ladder provides access to additional storage space.
