The Forge, High Street

An exciting renovation opportunity for those seeking the country life – a substantial and characterful stone built detached house with land extending to approximately 5.64 acres, including 3 grass paddocks, gardens, orchard, woodland, natural pond, plus numerous outbuildings, including large greenhouses and a Grade II Listed forge.

Named after its historic roots, The Forge has so much to offer and the price has been carefully set to allow you to create a very special country home, with equestrian and smallholding potential and an abundance of areas to grow flowers, fruit and vegetables.

Situated in the sought-after rural village of Moorsholm, and located in a conservation area, this property is set amongst stunning North Yorkshire countryside but is only 7 miles from the coast and 6.2 miles from Guisborough.

The house offers spacious and flexible accommodation with leafy outlooks, character features - such as wooden and quarry tiled floors, quirky fireplaces and exposed ceiling timbers, along with new features, including solar panels, solar assist hot water, oil fired central heating and double-glazed windows. The layout works well as it is but there is also the option to reconfigure it to suit your taste and lifestyle.

The Grade II Listed forge in the grounds is an added bonus - a charming piece of history. Said to date back to the early 1800s, it was used as a Blacksmith's forge and shoeing shed.

The property and outbuildings as a whole do require renovation but whilst this is required, it offers immediate potential as a large family home.

Entrance Hall

Welcoming entrance with built-in cloaks cupboard. To one side of the hall a door takes you to the living kitchen and on the opposite side to the:

Living Room - A really good sized, character-filled room, with plenty of space for furniture and different areas of seating. With beamed ceiling, a feature sandstone fireplace, wooden panelling, and dual-aspect windows overlooking the front and rear gardens. Staircase to the first floor.

Open Plan Kitchen/Dining/Living Room - This is a joy. There is so much scope to design and create an exceptional and beautiful room, that most of us can only dream of. It would be equally suited to a warm farmhouse style or an on-trend design.

With a window overlooking the garden, the kitchen area is already well planned and workable and has a lovely quarry tiled floor, fitted wall and base units, a good amount of workspace, integrated oven, hob and fridge. There is also a central island providing more workspace and breakfast bar area.

The dining and living areas share a central decommissioned fireplace and chimney and provide space to create sociable zones for eating, entertaining and living. With room for a large table and chairs for family gatherings, and still plenty of space for watching tv, working and reading. There is also a beamed ceiling

and front-facing window, with an outlook over the drive, forge and front garden. Doors lead from here to the utility/boot room and the snooker/reception room.

Utility/Boot Room - With quarry tiled floor, there is space for a washer and dryer. Window and door to the rear. Door to ground floor WC, also with a quarry tiled floor and a window.

Snooker/ Reception Room - A striking space with beautiful wooden floor, vaulted ceiling and exposed A-frame beams. Currently a dedicated snooker room but with the flexibility to be changed into a room of your choice. This room is very light and bright with a window to the front and sliding doors leading into:

Garden Room - A wonderful timber-framed, insulated and double-glazed garden room with a log burner, attractive wooden floor, dual-aspect French doors to the front and rear garden areas, and windows along both sides, flooding the space with light and making it a perfect place to enjoy the peaceful surroundings all year round.

First Floor

Landing - With useful storage cupboard, a window and doors to all rooms.

Master Bedroom - A spacious principal bedroom with windows to both the front and rear elevations. Door to:

En-suite Shower Room - Fitted with a shower cubicle, wash hand basin and wc.

Bedroom Two - Double bedroom with a front-facing window, built-in cupboard and cupboard housing hot water tank.

Bedroom Three - Another well-proportioned double bedroom with a front-facing window.

Bedroom Four - A single bedroom and rear-facing window.

Family Bathroom - Comprising a three-piece suite with Jacuzzi bath, wash hand basin, low-level wc, wooden panelling and window to rear.

Externally

The 5.64 acres of land (approximately) includes 3 grass paddocks; an orchard with pear, apple and plum trees; mature woodland; a natural pond to attract wildlife; garden areas to the front and rear; driveway with ample parking and the forge. In addition, there are numerous outbuildings, sheds and large greenhouses.

There is also an old brick lined well as an alternative to the metered supply for gardening, livestock etc.

Please note: any proposed alterations/additions to this property as a whole may be subject to planning permission and/or building regulations approval. Particularly as Moorsholm is in a conservation area. Any alterations to the forge outbuilding would also require Listed Building Consent (the house itself isn't Listed). Please feel free to speak to Kathryn Barr Estate Agents in this regard.
