*Plot specific windows. The floor plans depict a typical layout of this house type. For exact plot specification, details of external and internal finishes, dimensions and floor plan differences consult your sales executive. The sq ft/ sq m stated is the net sales area described in the RICS Code of Measurement 6th Edition. It is the area of the building measured to the plaster finish of the perimeter walls at each floor level. The measurement includes internal walls, service boxings and voids over stairs. It excludes internal garages and areas with less than 1.5m headroom. All dimensions are + or - 50mm and floor plans are not shown to scale. The kitchen layout and furniture positions are for indicative purposes only. The computer generated image is for illustrative purposes only and it is from an imaginary viewpoint within an open space area. Its purpose is to give a feel for the development, not an accurate description of each property. The illustration shows a typical Taylor Wimpey home of this type, but there are, however, variances from site to site. External materials, finishes, landscaping and the position of garages (where provided) may vary throughout the development. Properties may also be built handed (mirror image).
