Coming Soon - Luxury 3-Bedroom New Build Home

This beautifully crafted three-bedroom, two storey new build blends modern luxury with timeless architectural design. The exterior showcases intricate brickwork, a striking canopy, and traditional outdoor lighting, all adding to the home's impressive kerb appeal.

Practicality meets sustainability with solar panels and a smart vehicle charging point, while the block-paved driveway with ramped access leads to a separate garage with an electric door.

Inside, the property offers bright and spacious living with stylish sage-framed windows throughout. The heart of the home is the modern
