The impressive kitchen, dining and family area is where everyday life naturally comes together. With high end appliances and a large central island, it's ideal for busy mornings, relaxed family time and entertaining friends.

There's also a separate dining room, a utility /boot room and a further lounge with a striking fireplace, all finished beautifully and enjoying views across Alderley Edge Cricket Club.

Down on the lower ground floor, the house really comes into its own. This level feels more like a private boutique spa, with a cinema room for cosy movie nights, an indoor swimming pool, steam room, a glass-fronted gym and changing facilities; everything you need without ever leaving home.

Upstairs, a feature glass galleried landing leads to five spacious double bedrooms and four bathrooms, along with a useful first-floor laundry room. The primary bedroom is a real retreat, complete with a walk-in dressing room and a calm, private feel.

Outside, the gated driveway and double garage provide plenty of secure parking. The rear garden is private, low maintenance and easy to enjoy, with a smart patio and artificial lawn; perfect for both entertaining and unwinding.
