For Sale Freehold £260,000

Richard Kendall is delighted to present this immaculate three bedroom home for sale, perfectly positioned within a cul-de-sac on a highly sought after new development in Pontefract, located only a short walk away from Pontefract Monkhill train station, as well as local convenience stores.

Built by the award winning housebuilder Strata in March 2022, this stunning 'Geneva' style home has been lovingly maintained by its current owners and offers an exceptional standard of modern living. One of only three of its kind on the development, the property boasts a contemporary open-plan layout set across three spacious floors.

The stylish kitchen comes complete with integrated appliances, flowing seamlessly into a bright living and dining area with plenty of natural light. Upstairs, you'll find generously sized bedrooms, each featuring fitted wardrobes, while the top floor principal suite provides a cosy retreat with views across open fields and an en-suite shower room.

Further highlights include an excellent sized hallway with downstairs toilet and useful under-stairs storage with plug sockets, upgraded fully tiled bathrooms, a private two car driveway with car charger/plug point, levelled rear lawned garden with a paved seating area and planted borders, and a separate garden space; ideal for a shed or additional storage. The home also benefits from a generously sized, partially boarded loft with fitted loft ladders and light, offering excellent additional storage space.

Beautifully presented throughout, this home is ready to move straight into — combining modern style and practicality. An internal inspection is essential to appreciate the quality and presentation of this outstanding home; an early viewing is strongly advised.
