Benedict House

Location & Description

The picturesque riverside market settlement of Ross-on-Wye is the only English town standing within the Wye Valley Area of Outstanding Natural Beauty. Formerly a centre for leather working, shoe making, brewing, corn milling and glove making, Ross became a very busy Coaching town in the 18th and 19th Centuries. When viewed from either of the river bridges, the white painted facade of The Royal Hotel stands adjacent to the fine, 206 feet steeple of St Marys Church. With a population of around 10,000, Ross remains a bustling town and the summer months in particular see many visitors coming to canoe, fish, cycle or alternatively enjoy more leisurely pursuits involving food and drink, perhaps downing a refreshing cider from one of the many local artisan cider makers.

Property Description

Benedict House lies under a mile south of Ross centre in one of the most established and sought-after residential areas of the town. Constructed in the 1950s the property is situated in secluded and extensive gardens approaching an acre.

With accommodation on three floors, the property provides generous ground floor reception rooms, three bedrooms on the first floor, and two further bedrooms on the second floor. Its dominant position within Eastfield Road provides an outlook across the outskirts of the town towards wooded Chase Hill.

Whilst benefitting from this exceptionally quiet location Benedict House has the distinct advantage of being within a short walk of the town and all of its facilities. For those also concerned about strategic location, the M50 and A40 are accessible within 5 minutes drive.

Kitchen & Dining Room

The spacious entrance hall gives access to the dining room with its feature fireplace and bay window overlooking the front aspect. Interconnected by an arch to the kitchen, these two rooms offer the potential to make a most generous kitchen/dining area. From the kitchen a door leads to the rear hall where there is a utility room and cloaks and w.c., and a rear door allowing access directly into the garden.

Living Room

Overlooking the secluded rear garden is the generously proportioned 19' living room with double glazed windows to two elevations and French doors opening onto the patio area behind. With oak wooden floors and a feature fireplace this room is filled with natural light.

Lounge/Study

With windows to two elevations the lounge/study is filled with natural light. This room with its feature fireplace provides a well proportioned room which could be used either as a study or a second lounge/snug.

Bedrooms

To the first floor are three bed rooms, the main bedroom overlooking the rear garden and having the benefit on an ensuite shower room and w.c. There are two further bedrooms, both of which have an outlook across the front garden towards Chase Woods and beyond. There is also a large family bathroom together with an additional separate w.c.

Additional Bedrooms & Loft Space

To the second floor are two further bedrooms together with a wealth of loft storage.

Outside

Double wrought iron gates give access to the tarmac driveway which leads to the front of the property, providing ample parking for garage/workshop/store. A raised area of lawn extends to the southwest of the house giving access to the rear garden. Approached from the French doors in the living room, is the sunken block paved sun terrace with established planting including two Washingtonia Palm trees.

Steps lead up to the extensive rear lawn which is bounded to the rear by a stunning stone wall and several outstanding mature red and green Maple trees, as well as strategically placed seating areas. Extending to the south west is a well established Orchard/Arboretum with a variety of trees. There is also a most useful stone built store/garden shed
