Sidebank House, Sidebank House, Holmfirth Raod, Greenfield, Saddleworth, OL3 7NL

Nestled in the charming area of Greenfield Village, This remarkable south facing home faces Dovestones reservoir and Indians head. Boasting panoramic views across the countryside and national park, yet remains well-connected to local amenities & transport links.

This late 1750's property was brought into the 21st century with an extensive renovation back in 2019 extending the original footprint, creating spacious living accommodation across 2 buildings connected via a linkway. The interior boasts a spacious layout, ideal for both family living & entertaining. Natural light floods the rooms, creating a bright & airy atmosphere. Heated via mains gas system with 4 zoned areas for maximum efficiency. Each rooms boast spaciousness & neutral décor with every aspect of the surrounding views visible through the many Mullion windows. The main house comprises well-appointed fully integrated kitchen, perfect for all occasions with the large centre island making entertaining family and friends a breeze, open to the snug, downstairs WC and through to spacious lounge and dining room, a further lounge & conservatory, the spacious landing boasts a large Mullion window directly overlooking the Reservoir & features a beautiful centrepiece chandelier. 4 double bedrooms with ensuite to master and main family bathroom. Through the linkway presents a 2 double bedroom house with 2 ensuites, large lounge, open plan kitchen, dining & sunroom. Externally the garden presents a wonderful opportunity for outdoor entertainment with 3 decking areas
