General presentation

The village of Caux, with an area of over 24 Km², has just over 2500 inhabitants in 2020 and is nestled on a hill and rises to 115 meters above sea level.

Its inhabitants are called the "Caussinards or Caussinardes".

It is a sought-after village, close to the tourist town of Pézenas.

Caux, it is both calm, dynamic, with a preserved environnement. It also has a great deal of character, shops and amenities and it's a really friendly place to live.

I am at your service to help you to find the ONE !
