

Land and premises associated with Unit 7 Ashcroft Ashcroft Road, Liverpool Merseyside L33 7TW £550,000

Berkeley Shaw Real Estate is pleased to offer for sale this light industrial site and yard on Knowsley Industrial and Business Park, with excellent access to the motorway network via Junction 4 of the M57 and access to the main trunk roads via the East Lancashire Road (A580). The site comprises three commercial units (units 2, 2a & 6) each with enclosed yards, which are currently let, with a potential fourth (unfinished) unit and a shared yard with parking.

We understand that the main connected services are electricity, water and mains drainage.

The units are generally in reasonable to good condition for their age and type and are of brick and concrete block construction with lightweight interlinked metal sheeting at the upper levels.

The clients advise that there are approximately 51 years remaining on the term of the leasehold, but from previous discussions with Knowsley Council in 2018 there was the option to extend the lease by 125 years.

The site is accessed from an access road that runs off Bradman Road.

Please note: The vendors have advised us that there is an additional small storage unit that is accessed from Ashcroft Road, but we have not been able to access and inspect unit.
